## 1.1

**1. How does Gloucester's blindness in the opening scene parallel Cordelia's blindness?**

The two characters are blind in different ways. Gloucester's blindness is a physical condition that he inherits from his father, while Cordelia's blindness is a metaphorical one that she chooses to embrace. Gloucester's blindness is a result of his father's punishment for his rebellion, while Cordelia's blindness is a result of her father's punishment for her disobedience. Gloucester's blindness is a punishment that he must live with for the rest of his life, while Cordelia's blindness is a punishment that she chooses to embrace as a way of showing her devotion to her father.

**2. How does Gloucester's blindness affect his relationship with Cordelia?**

Gloucester's blindness affects his relationship with Cordelia in several ways. First, it prevents him from seeing her when she is with him, which makes it difficult for him to connect with her on a physical level. Second, it makes him more reliant on other people, such as his servants and his friends, for information about the world around him. This makes him more vulnerable to manipulation and deception.

**3. How does Gloucester's blindness affect his perception of the world around him?**

Gloucester's blindness affects his perception of the world around him in several ways. First, it makes him more reliant on other people for information about the world around him. This makes him more vulnerable to manipulation and deception. Second, it makes him more aware of the limitations of his own perception. He realizes that he cannot see the world as it truly is, and this makes him more humble and open to the possibility of other perspectives.

**4. How does Gloucester's blindness affect his relationship with his other children?**

Gloucester's blindness affects his relationship with his other children in several ways. First, it makes him more reliant on other people for information about the world around him. This makes him more vulnerable to manipulation and deception. Second, it makes him more aware of the limitations of his own perception. He realizes that he cannot see the world as it truly is, and this makes him more humble and open to the possibility of other perspectives.

**5. How does Gloucester's blindness affect his perception of his own identity?**
