12-Step Couples Therapy Workbook Samantha Richards, 2025-08-18 Do you ever feel like the two of you are slowly drifting apart A text that never gets answered A sharp tone that leaves a sting The same fight replayed in different words Silence that feels heavier than words It doesn't take betrayal to create distance Most relationships struggle in ordinary ways through stress mismatched expectations and the erosion of small moments of care What starts as love can quietly turn into cold efficiency where partners share a home but not a bond The truth Connection is a skill Repair is a practice And both can be learned together This workbook is a practical playbook built for real couples with real lives You won't find abstract theories or complicated frameworks Instead you'll find short concrete tools you can use immediately phrases that soften conflict rituals that survive busy weeks agreements that stop fights from spiraling and repair strategies that actually land Inside you and your partner will learn how to Build your Team Us identity with a one page charter that sets your purpose decision rules and red lines Catch tension before it explodes using a simple traffic light system that makes stress visible and manageable Write Six Rules of Engagement you can both recall under pressure turning conflict into workable conversations Open softly and get further with phrases that lower defensiveness and protect trust Make your partner feel deeply heard even when you disagree by mastering validation instead of debate Use timeouts that actually bring you back with a protocol that prevents silence from feeling like rejection Turn fights into workshops designing small testable plans instead of courtroom battles Set boundaries that breathe protecting dignity and privacy without building walls Create time tech and privacy agreements that reduce digital jealousy and prevent late night spirals Decode your real mix of love languages translating preferences into small daily actions that land Rebuild after betrayal with a structured path stabilization no contact agreements trigger regulation and paced reconnection Foster

intimacy that adapts lowering brakes raising accelerators and keeping closeness alive across different seasons Build a money system that fits ending recurring fights with short money dates and safeguards against financial secrecy Make the invisible mental load visible so household management stops falling silently on one partner Run your week like a team with a 15 minute operational huddle that prevents chaos and aligns calendars Catch relapses early and recover fast using visible cues and agreed resets before small slips turn into crises Ready to stop the cycle If you've ever thought Why do we keep having the same fight Why do small things turn into big ones so fast Why do I feel like I'm carrying this relationship alone then what you need isn't more effort or better timing What you need is a clear simple set of moves that work under stress and protect the bond you're building This is that set Open the pages Try one move tonight Protect the bond first Make the point second And watch how quickly the climate of your relationship begins to shift

Treating Out of Control Sexual Behavior Douglas Braun-Harvey,Michael A. Vigorito,2015-11-05 Out of control sexual behavior referred to variously as sex addiction sexual compulsivity and hypersexuality among other terms has been a controversial and attention getting issue since it first captured both public and professional attention over 30 years ago Previous discussions of this behavior have been grounded in conceptualizing it as a pathologized medical issue on par with substance abuse addictions or in backlash as simply irresponsible behavior indicating weakness in the individual In keeping with the call from many leaders in the mental health and sexual health areas to move beyond these two polarized conceptualizations of these sexual behavior problems the authors present a model for working with clients in both group and individual treatment settings Based on their experience with hundreds of clients this book provides a comprehensive and practical conceptualization of out of control sexual behavior framed as a sexual health problem within a larger model of human behavior not a psychiatric or addictive disorder The book includes step by step tools for assessment treatment planning as well as treatment implementation It describes a process for professionals to guide clients to define and be accountable for their own personal vision of sexual health as the foundation on which they regain sexual behavior control The authors provide rich and varied composite case examples based on 20 years of clinical experience that demonstrate clinician sexual
