AND PHILIP HARDIE

LUCRETIUS AND THE EARLY MODERN

CLASSICAL PRESENCES

OXFORD

Lucretius Early Modern Classical Presences

Andrés Pérez-Baltodano

Lucretius Early Modern Classical Presences:

Lucretius and the Early Modern David Norbrook, S. J. Harrison, Philip R. Hardie, 2016 The rediscovery in the fifteenth century of Lucretius *De rerum natura* was a challenge to received ideas The poem offered a vision of the creation of the universe the origins and goals of human life and the formation of the state all without reference to divine intervention It has been hailed in Stephen Greenblatt's best selling book *The Swerve* as the poem that invented modernity But how modern did early modern readers want to become This collection of essays offers a series of case studies which demonstrate the sophisticated ways in which some readers might relate the poem to received ideas assimilating Lucretius to theories of natural law and even natural theology while others were at once attracted to Lucretius subversiveness and driven to dissociate themselves from him The volume presents a wide geographical range from Florence and Venice to France England and Germany and extends chronologically from Lucretius contemporary audience to the European Enlightenment It covers both major authors such as Montaigne and neglected figures such as Italian neo Latin poets and is the first book in the field to pay close attention to Lucretius impact on political thought both in philosophy from Machiavelli through Hobbes to Rousseau and in the topical spin put on the *De rerum natura* by translators in revolutionary England It combines careful attention to material contexts of book production and distribution with close readings of particular interpretations and translations to present a rich and nuanced profile of the mark made by a remarkable poem

Lucretius and the Early Modern David Norbrook, S. J. Harrison, Philip R. Hardie, 2015 The rediscovery in the fifteenth century of Lucretius's *De Rerum Natura* was a challenge to received ideas This poem offered a vision of the creation of the universe the origins and goals of human life and the formation of the state all without reference to divine intervention This collection of essays demonstrates the sophisticated ways in which some readers assimilated the poem to theories of natural law and even natural theology while others were both attracted to Lucretius's subversiveness and dissociated themselves from him

Oxford Handbook of Epicurus and Epicureanism Phillip Mitsis, 2020-07-16 This volume offers authoritative discussions of all aspects of the philosophy of Epicurus 340-271 BCE and then traces Epicurean influences throughout the Western tradition It is an unmatched resource for those wishing to deepen their knowledge of Epicureanism's powerful arguments about death happiness and the nature of the material world

Lucretius Poet and Philosopher Philip R. Hardie, Valentina Prosperi, Diego Zucca, 2020-07-06 Six hundred years after Poggio's retrieval of the *De rerum natura* and with the recent surge of interest in Lucretius and his influence there has never been a better time to fully assess and recognize the shaping force of his thought and poetry over European culture from antiquity to modern times This volume offers a multidisciplinary and updated overview of Lucretius as philosopher and as poet with special attention to how these two aspects interact The volume includes 18 contributions by established as well as early career scholars working on Lucretius philosophical and poetic work and his reception both in ancient and early modern times All the chapters present new and original research

Section I explores core issues of Epicurean Lucretian epistemology and ethics Section II expounds much new material on ancient response to and reception of Lucretius Section III presents new material and analysis on the immediate fraught early modern reception of the poem Section IV offers a wide collection of new and original papers on Lucretius fortunes in the period from Machiavelli up to Victorian times Section V explores little known aspects of the iconographical and biographical motifs related to the *De rerum natura*

New Horizons for Early Modern European Scholarship Ann Blair, Nicholas Popper, 2021-08-10 This edited collection assembles a set of essays investigating the past present and future historiography of scholars who write about the cultural and intellectual history of early modern Europe Contributors examine how scholars in recent decades have broken down traditional boundaries imposed on this period by exploring shifting conceptions of periodization geography genre and evidence

Lucretius Claudia Schindler, 2022-12-12 *Lucretius De rerum natura* written around 55 BCE ranks among the most influential texts in Roman literature The poet's vision of a world made of atoms his mockery of the fear of death and the gods and fervent advocacy of the mortality of the soul over many centuries incensed his critics on one hand and on the other earned him a devoted following This volume provides an introduction to the oldest completely preserved Latin didactic poem and to the most important research questions concerned with the text

Edward and George Herbert in the European Republic of Letters Greg Miller, Anne-Marie Miller-Blaise, 2022-08-09 George Herbert 1593 1633 the celebrated devotional poet and his brother Lord Herbert of Cherbury 1583 1648 often described as the father of English deism are rarely considered together This collection explores connections between the full range of the brothers writings and activities despite the apparent differences both in what they wrote and in how they lived their lives More specifically the volume demonstrates that despite these differences each conceived of their extended republic of letters as militating against a violent and exclusive catholicity theirs was a communion in which contention or disputation served to develop more dynamic forms of comprehensiveness The literary philosophical and musical production of the Herbert brothers appears here in its full European context connected as they were with the Sidney clan and its investment in international Protestantism The disciplinary boundaries between poetry philosophy politics and theology in modern universities are a stark contrast to the deep interconnectedness of these pursuits in the seventeenth century Crossing disciplinary and territorial borders contributors discuss a variety of texts and media including poetry musical practices autobiography letters council literature orations philosophy history and nascent religious anthropology all serving as agents of the circulation and construction of transregionally inspired and collective responses to human conflict and violence We see as never before the profound connections face to face as well as textual linking early modern British literary culture with the continent

Revenge Tragedy and Classical Philosophy on the Early Modern Stage Crosbie Christopher Crosbie, 2018-11-14 Examines the influence of classical philosophy on revenge narratives by Shakespeare and his contemporaries This book discovers within early modern revenge tragedy the surprising shaping presence of a wide array of classical philosophies not

commonly affiliated with the genre By recovering the pervasive influence of Aristotelian faculty psychology on The Spanish Tragedy Aristotelian ethics on Titus Andronicus Lucretian atomism on Hamlet Galenic pneumatics on Antonio's Revenge and Epictetian Stoicism on The Duchess of Malfi Crosbie reveals how the very atmospheres and ontological assumptions of revenge tragedy exert their own kind of conditioning dramaturgical force The book also revitalises our understanding of how the Renaissance stage even at its most lurid functions as a unique space for the era's practical vernacular engagement with received philosophy Key Features Analyzes the twentieth century development of revenge tragedy as a genre and diagnoses the roots of modern criticism's tendency to treat most philosophy as estranged from the violent work of revenge Provides fresh readings of five plays central to the revenge tragedy genre paying close attention to the conditioning influence of classical philosophy on their narratives of retribution Reveals how revenge tragedy's distinctive moods or atmospheres emerge from fully realized sets of ontological assumptions which help shape reception of retribution on the early modern stage Develops new reception histories for five classical philosophical doctrines revealing their currency and what's more radical adaptability within early modern England Classical Presences in Irish Poetry after 1960 Florence

Impens, 2018-01-02 This book provides the first overview of classical presences in Anglophone Irish poetry after 1960 Featuring detailed studies of Seamus Heaney Michael Longley Derek Mahon and Eavan Boland including close readings of key poems it highlights the evolution of Irish poetic engagements with Greece and Rome in the last sixty years It outlines the contours of a movement which has transformed Irish poetry and accompanied its transition from a postcolonial to a transnational model from sporadic borrowings of images and myths in the poets early attempts to define their own voices to the multiplication of classical adaptations since the late 1980s at first at a time of personal and political crises notably in Northern Ireland and more recently as manifestations of the poets engagements with European and other foreign literatures

Religion and Politics in Europe and Latin America Andrés Pérez-Baltodano, 2025-09-22 This book presents a comparative interpretation of the socio-emotional histories of Europe and Latin America offering a novel perspective on the roles of religion and politics in managing collective fear and insecurity in these two regions Emphasizing the historical fears and insecurities faced by underprivileged sectors of Latin American society the book draws on cognitive and social sciences to compile political socioeconomic and cultural landmarks identifying continuities and ruptures in European and Latin American histories The volume highlights Europe's success and Latin America's relative failure in crafting political visions capable of taming fear and insecurity It shows how this largely correlates with how meticulous providentialism the belief that God governs history has been supplanted by general providentialism the belief that God does not intervene in history in the religious cultures of the two regions This shift corresponds to the degree of control individuals feel they have over their history and destiny which typically aligns with their actual social affordances At the heart of these discussions is the notion that the authenticity of the theoretical foundations of political visions is conditioned by society's view of the divine which

ultimately determines the capacity of these visions potential to impact history Religion and Politics in Europe and Latin America is a useful resource for students and academics interested in Latin American and European history politics and culture

Authenticity in Medieval and Early Modern Literature Rebecca Menmuir,2025-06-30 What does it mean to be authentic The term is as pervasive today as it is difficult to define To be authentic in the Middle Ages or Early Modernity was no less of a complex task albeit framed in ways different to today s concept of authenticity as an individualistic or capitalistic venture think being true to oneself or brand authenticity This volume examines a range of medieval and early modern approaches to authenticity in literature asking how authenticity was defined privileged constructed and contested in the periods covered Essays trace the shifting status of authenticity across four literary categories which most test the concept of premodern authenticity forgeries histories translations and continuations Contributions engage with works across Latin Greek English French and Irish and set authenticity in conversation with medieval and modern perspectives on authority truth and morality

Lucrecio en España Ángel Jacinto Traver Vera,2023-11-10 Esta monografía estudia la tradición clásica del *De rerum natura* de Lucrecio en la literatura española desde Isidoro de Sevilla hasta la actualidad Esta joya de la Antigüedad ha sido el poema didáctico por excelencia de la literatura latina junto con los *Georgica* de Virgilio En ella Lucrecio expuso la filosofía de Epicuro a fin de liberar a los hombres del miedo a la muerte y a los dioses Cuando Poggio Bracciolini redescubrió el texto en 1417 la obra se convirtió en el enquistado de la Escuela del Jardín comenzando entonces una nueva trayectoria plagada de reconocimientos pero también de polémica por sus tesis heréticas Su proyección en la cultura occidental ha sido inmensa y concretamente su fortuna en España sin igualar la de Horacio o Séneca ha sido también considerable El estudio ofrece en este sentido claves para comprender por qué un clásico tan poco afín a la historia de nuestro país baluarte del catolicismo ha dejado aun así una impronta valiosa

Games and War in Early Modern English Literature Holly Faith Nelson,James William Daems,2025-10-01 This pioneering collection of nine original essays carves out a new conceptual path in the field by theorizing the ways in which the language of games and warfare inform and illuminate each other in the early modern cultural imagination They consider how warfare and games are mapped onto each other in aesthetically and ideologically significant ways in the early modern plays poetry or prose of William Shakespeare Thomas Morton John Milton Margaret Cavendish Aphra Behn and Jonathan Swift among others Contributors interpret the terms war games or games of war broadly freeing them to uncover the more complex and abstract interplay of war and games in the early modern mind taking readers from the cockpits and clowns of Shakespearean drama through the intriguing manuals of cryptographers and the ingenious literary wargames of Restoration women authors to the witty but rancorous paper wars of the late seventeenth and early eighteenth centuries

Journal of Early Modern Studies: Volume 5, Issue 1 (Spring 2016) Vlad Alexandrescu,Tinca Prunea-Bretonnet,2016-06-01 The Journal of Early Modern Studies is an interdisciplinary peer reviewed journal of intellectual history dedicated to the exploration of the interactions between philosophy science and

religion in Early Modern Europe **The Plague Epic in Early Modern England** Rebecca Totaro, 2016-02-24 The Plague Epic in Early Modern England Heroic Measures 1603 1721 presents together for the first time modernized versions of ten of the most poignant of plague poems in the English language each composed in heroic verse and responding to the urgent need to justify the ways of God in times of social religious and political upheaval Showcasing unusual combinations of passion and restraint heart rending lamentation and nation building fervor these poems function as literary memorials to the plague time fallen In an extended introduction Rebecca Totaro makes the case that these poems belong to a distinct literary genre that she calls the plague epic Because the poems are formally and thematically related to Milton s great epics Paradise Lost and Paradise Regained this volume represents a rare discovery of previously unidentified sources of great value for Milton studies and scholarly research into the epic didactic verse cultural studies of the seventeenth century illness as metaphor and interdisciplinary approaches to illness natural disaster trauma and memory **Literature and Natural Theology in Early Modern England** Katherine Calloway, 2023-10-19 Katherine Calloway explores the relationship between science and religion through a wide ranging selection of early modern English poets **Beyond Greece and Rome** Jane Grogan, 2020-04-23 Though the subject of classical reception in early modern Europe is a familiar one modern scholarship has tended to assume the dominance of Greece and Rome in engagements with the classical world during that period The essays in this volume aim to challenge this prevailing view by arguing for the significance and familiarity of the ancient near east to early modern Europe establishing the diversity and expansiveness of the classical world known to authors like Shakespeare and Montaigne in what we now call the global Renaissance However global Renaissance studies has tended to look away from classical reception exacerbating the blind spot around the significance of the ancient near east for early modern Europe Yet this wider classical world supported new modes of humanist thought and unprecedented cross cultural encounters as well as informing new forms of writing such as travel writing and antiquarian treatises in many cases and befitting its Herodotean origins the ancient near east raises questions of travel empire religious diversity cultural relativism and the history of European culture itself in ways that prompted detailed engaging and functional responses by early modern readers and writers Bringing together a range of approaches from across the fields of classical studies history and comparative literature this volume seeks both to emphasize the transnational interdisciplinary and interrogative nature of classical reception and to make a compelling case for the continued relevance of the texts concepts and materials of the ancient near east specifically to early modern culture and scholarship *Expurgating the Classics* Bloomsbury Publishing, 2014-06-20 In the first collection to be devoted to this subject a distinguished cast of contributors explores expurgation in both Greek and Latin authors in ancient and modern times The major focus is on the period from the seventeenth to the twentieth century with chapters ranging from early Greek lyric and Aristophanes through Lucretius Horace Martial and Catullus to the expurgation of schoolboy texts the Loeb Classical Library and the Penguin Classics The contributors draw on evidence from the papers of editors and on

material in publishing archives The introduction discusses both the different types of expurgation and how it differs from related phenomena such as censorship *Classical Enrichment* Antony Augoustakis,Stavros Frangoulidis,Thea S.

Thorsen,2024-11-04 This collection brings together twenty eight chapters written by Stephen Harrison s colleagues and former students from around the globe to celebrate both his distinguished teaching and research career as a classicist and his outstanding and admirable service to the international classical community The wide variety of original contributions on topics ranging from Greek to Latin and ancient literature s reception in opera and contemporary writing is divided into five parts Each corresponds to the staggering publication record of the honorand encompassing as it does a broad literary spectrum starting from the literature of the end of the Roman Republic and coming down to Neo Latin and the reception of Classics in Irish in English poetry and in European literature and culture in general This corpus of compelling chapters is hoped to match Stephen Harrison s rich research output in an illuminating dialogue with it The Trials of Orpheus Jenny C. Mann,2021-10-26 A revealing look at how the Orpheus myth helped Renaissance writers and thinkers understand the force of eloquence In ancient Greek mythology the lyrical songs of Orpheus charmed the gods and compelled animals rocks and trees to obey his commands This mythic power inspired Renaissance philosophers and poets as they attempted to discover the hidden powers of verbal eloquence They wanted to know How do words produce action In *The Trials of Orpheus* Jenny Mann examines the key role the Orpheus story played in helping early modern writers and thinkers understand the mechanisms of rhetorical force Mann demonstrates that the forms and figures of ancient poetry indelibly shaped the principles of sixteenth and seventeenth century scientific knowledge Mann explores how Ovid s version of the Orpheus myth gave English poets and natural philosophers the lexicon with which to explain language s ability to move individuals without physical contact These writers and thinkers came to see eloquence as an aesthetic force capable of binding drawing softening and scattering audiences Bringing together a range of examples from drama poetry and philosophy by Bacon Lodge Marlowe Montaigne Shakespeare and others Mann demonstrates that the fascination with Orpheus produced some of the most canonical literature of the age Delving into the impact of ancient Greek thought and poetry in the early modern era *The Trials of Orpheus* sheds light on how the powers of rhetoric became a focus of English thought and literature

Yeah, reviewing a book **Lucretius Early Modern Classical Presences** could grow your near links listings. This is just one of the solutions for you to be successful. As understood, achievement does not suggest that you have extraordinary points.

Lucretius Early Modern Classical Presences Introduction

In the digital age, access to information has become easier than ever before. The ability to download Lucretius Early Modern Classical Presences has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Lucretius Early Modern Classical Presences has opened up a world of possibilities. Downloading Lucretius Early Modern Classical Presences provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Lucretius Early Modern Classical Presences has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Lucretius Early Modern Classical Presences. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Lucretius Early Modern Classical Presences. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Lucretius Early Modern Classical Presences, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Lucretius Early Modern Classical Presences has

transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Lucretius Early Modern Classical Presences Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Lucretius Early Modern Classical Presences is one of the best book in our library for free trial. We provide copy of Lucretius Early Modern Classical Presences in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Lucretius Early Modern Classical Presences. Where to download Lucretius Early Modern Classical Presences online for free? Are you looking for Lucretius Early Modern Classical Presences PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Lucretius Early Modern Classical Presences. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Lucretius Early Modern Classical Presences are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products

categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Lucretius Early Modern Classical Presences. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Lucretius Early Modern Classical Presences To get started finding Lucretius Early Modern Classical Presences, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Lucretius Early Modern Classical Presences So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Lucretius Early Modern Classical Presences. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Lucretius Early Modern Classical Presences, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Lucretius Early Modern Classical Presences is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Lucretius Early Modern Classical Presences is universally compatible with any devices to read.
