[The Davidic Shepherd King in the Lukan Narrative](#) Sarah Harris, 2016-05-19 In Luke Acts Jesus can be seen to take on the attributes of the Davidic shepherd king a representation successfully conveyed through specific narrative devices The presence of the shepherds in the birth narrative can be understood as an indication of this understanding of Jesus Sarah Harris analyses the multiple ways scholars have viewed the shepherds as characters in the narrative and uses this as an example of how the theme of Jesus' shepherd nature is interwoven into the narrative as a whole From the starting point of Jesus' human life Harris moves to later events portrayed in Jesus' ministry in which he is seen to enact his message as God's faithful Davidic shepherd in particular the parable of the Lost Sheep and the Zacchaeus pericope 19:1-10 Harris uses this latter encounter to underline that Jesus may be hailed as a King by the crowds as he enters Jerusalem but he is not simply a king He is God's Davidic Shepherd King as prophesied in Micah 5 and Ezekiel 34 who brings the gospel of peace and salvation to the earth *Mark 1-16 MacArthur New Testament*

Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease [A Subject Catalogue Or Finding List of Books in the Reference Library](#) Toronto Public Library, 1889 [Jubilee in the Bible](#) Lidija Gunjević, 2017-10-02 The biblical message of Jubilee is becoming more credible in our days in dealing with the socio economic and moral spiritual issues of today s world It continues to exercise a powerful influence on the religious thoughts and actions of God s people In addition to that this book reveals a new hermeneutical code of reading and interpreting the message of Jubilee The synthesis of the exegetical analysis of the biblical texts regarding the Jubilee and Sabbath Sabbath year and Moltmann s understanding of this subject reveals the meaning and significance of the topic how it is recognized as well as its implications in today s world This synthesis reveals a new vision and starting point for socio economic and moral spiritual reform in our time The biblical Sabbat Jubilee traditions are much richer than we thought This book shows it Theologically often neglected they are a source of new ideas to solve problems of human community and the ecology of the earth That my theological works can be used to apply them today is a surprise to me a happy surprise J rgen Moltmann *The True Jesus* David Limbaugh, 2017-04-10 A New York Times Bestseller Who do you say that I am Uttered by Jesus Christ this profound question has presented an age old challenge to believers skeptics scholars and rulers In attempting to

answer this question The True Jesus goes straight to the unimpeachable source the books of Matthew Mark Luke and John Only in the Gospels says 1 New York Times bestselling author David Limbaugh do we come face to face with the Son of God Whose sublime teachings miraculous actions and divine essence leap off every page and into our hearts In this book Limbaugh combines the four Gospel stories into a unified account though not he humbly admits a perfect harmony and guides readers on a faith journey through the Four Evangelists testimonies of the life of Jesus Christ Along the way Limbaugh shares his insights on Jesus words and deeds as well as His unique nature as fully human and fully divine In The True Jesus you will learn Why even the apostles failed to completely understand Jesus true identity and mission until after His crucifixion The real basis for the rejection of Jesus message by skeptics in His hometown and elsewhere The historical events preceding Jesus birth that providentially paved the way for Christianity How Jesus message utterly contradicted modern attempts to portray Him as being non judgmental Limbaugh s passion for the Gospels infuses the pages of The True Jesus which is both a primer for new Bible readers and an outstanding guide to the Gospels for long time believers Who really is the true Jesus Open this book and begin your odyssey toward the answer *NEW TESTAMENT CONTEXTUAL*

COMMENTARY Dr. Robert R. Seyda,2024-10-25 Now the beloved Apostle states clearly that if we love God we will obey His commands And those commands are not difficult for us to obey After all He came to be the Savior of the world So three things show us clearly that Jesus came from God Those things are the Holy Spirit the water of Jesus baptism and the blood of His death on the cross Therefore everyone who believes in Jesus the Son of God will know that what God says is true But anyone who does not believe in God is saying that God tells lies They just do not believe the message that God told us clearly about His Son You don t want to be one of those people Truly we can trust God to help us when we turn to Him We know that He will hear us When we ask for anything that He wants us to have He listens to us This is especially true when we see another Christian doing something bad this is what we should do If it is a sin that does not cause death pray that God will help him Then God will help that person to live forever with Him We should settle it in our minds that nobody who has become a child of God continues to do wrong things Instead the Son of God keeps them safe so that Satan cannot do anything to keep them from going to heaven So I beg you says John do not put anything in this world or of this world before God

Anointed Expository Preaching Stephen Olford,David Olford,2003-09-01 What is expository preaching In this brilliant new book Dr Stephen F Olford and Dr David L Olford both widely respected preachers in their own right define expository preaching exposing Scripture instead of imposing upon it teach its technique and express its significance all true preaching is expository This book equips and encourages preachers of all kinds to respect their calling and minister God s inerrant Word by the Olford s marvelous methods *Under The Halo* Rod Bergen,2025-02-11 *Under The Halo* is an examination of whether William Branham a twentieth century faith healer and evangelist was a prophet of God as believed by an estimated 1 to 1.5 million followers who call his teachings the Message Written by a former Message member who shares his journey into and

out of this cult it is a well researched review of the prophecies visions stories and doctrines of William Branham things that can't be questioned by those in the Message Though most people today have never heard of William Branham he had a significant influence on Pentecostalism and the Christian Charismatic movement After his passing zealous followers carried his sermons around the world Today the bulk of his followers are found in small pockets globally Under The Halo will be illuminating for both former and present members of the Message and those interested in the history of the healing revival of the 1940s and 1950s or how fringe religious groups form and thrive Under The Halo is more than an examination of the critical errors in William Branham's prophecies credibility and teaching it also provides practical advice to anyone seeking to help members leave the Message

Did Jesus Speak Greek G Scott Gleaves,2015-09-24 Did Jesus speak Greek An affirmative answer to the question will no doubt challenge traditional presuppositions The question relates directly to the historical preservation of Jesus's words and theology Traditionally the authenticity of Jesus's teaching has been linked to the recovery of the original Aramaic that presumably underlies the Gospels The Aramaic Hypothesis infers that the Gospels represent theological expansions religious propaganda or blatant distortions of Jesus's teachings Consequently uncovering the original Aramaic of Jesus's teachings will separate the historical Jesus from the mythical personality G Scott Gleaves in *Did Jesus Speak Greek* contends that the Aramaic Hypothesis is inadequate as an exclusive criterion of historical Jesus studies and does not aptly take into consideration the multilingual culture of first century Palestine Evidence from archaeological literary and biblical data demonstrates Greek linguistic dominance in Roman Palestine during the first century CE Such preponderance of evidence leads not only to the conclusion that Jesus and his disciples spoke Greek but also to the recognition that the Greek New Testament generally and the Gospel of Matthew in particular were original compositions and not translations of underlying Aramaic sources

The Meaning of Singleness Danielle Treweek,2023-05-09 Drawing upon ancient and contemporary theologians Dani Treweek offers biblical historical cultural and theological reflections to retrieve a theology of singleness for the church today Far from being a burden she shows that singleness presents the church with a foretaste of the eschatological reality that awaits all of God's people

The True Identity of the People of the Way Ross Daniel Harmon,2024-10-24 The True Identity of the People of the Way demonstrates that Luke alludes to the book of Proverbs when Luke in Acts 9 and following calls the Church the Way Consequently this study shows that Luke identifies the people of the Way as followers of the one and true God depicted in Proverbs Within Acts Luke's claim was likely shocking to the Jewish people which relates directly to the function of the Way This fresh perspective on the way metaphor in Acts provides a more natural and fitting referent than previous proposals and finds its function as a polemic between Jesus followers and others This research identified allusions and motifs in literature to determine that Luke uses the way metaphor to describe Christ's followers The study first shows the need for research concerning Luke's motive or referent for calling the Church the Way Second the study examines the probability of Proverbs influence on Luke Third the study provides an in

depth analysis of the way metaphor in Acts concluding that Proverbs is the referent of the Way when referring to the Church

God With Us and Without Us, Volume Two Imad N. Shehadeh, 2019-10-31 While volume 1 stressed the inevitability of Oneness in Trinity this second volume of God With Us and Without Us demonstrates the beauty and life transforming power of Oneness in Trinity The nature of the eternal relationship between the Father Son and Holy Spirit stands in contrast with the nature of God in Absolute Oneness Dr Imad N Shehadeh elucidates through careful argumentation and detailed critical thinking why Oneness in Trinity is to be prized and what God would look like if He were not triune By addressing the beauty and power of Oneness in Trinity this book deepens our understanding of the Trinity as the solid foundation of all other doctrines Dr Shehadeh explains the eternal activity of God outside creation i e without us as the stimulus of His activity within creation i e with us Dr Shehadeh also addresses the theological debate concerning the eternal generation of the Son and the eternal procession of the Holy Spirit Most importantly however this book convinces us of and magnifies for us the life transforming power of the triune God
