Edwards, 2025-08-28 For medieval and early modern Europeans the Devil and his demonic minions were seen as increasingly active They tempted monks tortured the unwary and conspired against humanity They were responsible for waves of heresy plague famine and religious division and they formed unholy alliances foreshadowing the approaching Apocalypse and End Times Bringing together eighteen internationally recognized specialists *A Companion to the Devil and Demons* explores the latest research on premodern European beliefs about the Devil and demons With chapters ranging from scholastic and necromantic perceptions of demons to the place of demons within witch trials connections between demons and non human beings and media that spread ideas about demons it argues for the centrality and durability of demon knowledge in European culture Contributors to this volume Philip C Almond Robin B Barnes Dean Phillip Bell Michelle D Brock Fabi n Alejandro Campagne David J Collins SJ Ismael del Olmo Kathryn A Edwards Lizanne Henderson David Johannes Olszynski Richard Raiswell Juanita Feros Ruys James Sharpe Julien V ron se Rita Voltmer Hans de Waardt Gary K Waite and Charles Zika **Luther's Gospel** Graham Tomlin, 2017-10-19 Martin Luther was one of the most influential figures of the last millennium with around 900 million people worldwide belonging to Protestant churches that trace their origins back to the Reformation he started five hundred years ago His thinking and his writing were always original fresh controversial and provocative They evoked strong reactions then and still do today This book offers an accessible way into that thinking by looking at the way he approached a wide range of issues in his own time and how some of that thinking might give us new ways to approach contemporary issues Examining his approach to topics such as sex freedom prayer evil pilgrimage and Bible translation it illustrates vividly the mind of this man who was very much of his time yet whose ideas still speak creatively to the modern world It combines scholarly insight into some of the key issues surrounding the study of Luther today while being written in a style that makes it accessible to the non specialist The result is a book that serves as an ideal handbook for those wishing to get inside the mind of this most remarkable man **L' Islam Et la RZforme** Victor Segesvary, 2002 This important study brings to light a little known but essential moment in the relations between Islam and Christianity the history of the 1542 publication of the Quaran Koran in Latin in Venice and Basel and the controversy surrounding the emergence of this work in religious reform circles This research relates the origins of European attitudes of tolerance to the Reformation and the reformers specific interest in non traditional religious theology and secular philosophy The Koran proved to be a major though overlooked element in this movement toward cultural heterodoxy TEXT IN FRENCH WITH ENGLISH SUMMARIES **Martin Luther as He Lived and Breathed** Robert Kolb, 2018-10-09 Luther s oft recounted life made a profound impact on his contemporaries Some revered him some hated him This volume provides a brief narrative of the unfolding events that took place from his birth to a young entrepreneurial

family through his turbulent career as university professor and public figure to his death while on a mission to reconcile a feuding princely family Following parts of this narrative come interviews with friends and foes of his time taken from a variety of sixteenth century sources that present this dominating reformer and the passions that possessed both those who found him to be God's end time prophet and those who hated all that he stood for because they believed it was destroying their world

Reading the Bible with Richard Hooker Daniel Eppley, 2016-03-01 Many of the divisions facing Christians today include disagreements over the interpretation of Scripture These disagreements arise not only regarding the meaning of particular biblical passages but also involve different approaches to determining how the meaning of Scripture is discerned Such disagreement over the interpretation of Scripture is nothing new Insights available from past efforts to resolve disputes over interpretation can be a valuable resource for modern efforts to facilitate intra Christian dialogue This study elucidates the biblical hermeneutic championed by Richard Hooker a formative figure of the Anglican tradition to recommend it as a resource for modern Christians In his approach to interpreting scripture Hooker recognizes the importance of both rational reflection and inspired insight while also treading a middle path that balances the respect due to interpretive authorities against the responsibilities of the individual conscience These and other elements of Hooker's hermeneutic make it a valuable resource for those who seek to promote dialogue and reconciliation in a divided church
