## **Lyrical Ballads Few Other Poems:**

Lyrical Ballads William Wordsworth, Samuel Taylor Coleridge, 1798      **Lyrical Ballads, with a Few Other Poems** (1798) William Wordsworth, Samuel Taylor Coleridge, 2018-12-15 *Lyrical Ballads with a Few Other Poems* is a collection of poems by William Wordsworth and Samuel Taylor Coleridge first published in 1798 and generally considered to have marked the beginning of the English Romantic movement in literature. The immediate effect on critics was modest but it became and remains a landmark changing the course of English literature and poetry. Wordsworth and Coleridge set out to overturn what they considered the priggish learned and highly sculpted forms of 18th century English poetry and to make poetry accessible to the average person via verse written in common everyday language. They emphasize the vitality of the living voice used by the poor to express their reality. This language also helps assert the universality of human emotions. Even the title of the collection recalls rustic forms of art; the word *lyrical* links the poems with the ancient rustic bards and lends an air of spontaneity while ballads are an oral mode of storytelling used by the common people. In the Advertisement included in the 1798 edition, Wordsworth explained his poetical concept: The majority of the following poems are to be considered as experiments. They were written chiefly with a view to ascertain how far the language of conversation in the middle and lower classes of society is adapted to the purpose of poetic pleasure. If the experiment with vernacular language was not enough of a departure from the norm, the focus on simple uneducated country people as the subject of poetry was a signal shift to modern literature. One of the main themes of *Lyrical Ballads* is the return to the original state of nature in which people led a purer and more innocent existence. Wordsworth subscribed to Rousseau's belief that humanity was essentially good but was corrupted by the influence of society. This may be linked with the sentiments spreading through Europe just prior to the French Revolution. William Wordsworth (7 April 1770 – 23 April 1850) was a major English Romantic poet who, with Samuel Taylor Coleridge, helped to launch the Romantic Age in English literature with their joint publication *Lyrical Ballads* (1798). Wordsworth's magnum opus is generally considered to be *The Prelude*, a semi-autobiographical poem of his early years that he revised and expanded a number of times. It was posthumously titled and published before which it was generally known as *the poem to Coleridge*. Wordsworth was Britain's poet laureate from 1843 until his death from pleurisy on 23 April 1850. Samuel Taylor Coleridge (21 October 1772 – 25 July 1834) was an English poet, literary critic, philosopher, and theologian who, with his friend William Wordsworth, was a founder of the Romantic Movement in England and a member of the Lake Poets. He wrote the poems *The Rime of the Ancient Mariner* and *Kubla Khan*, as well as the major prose work *Biographia Literaria*. His critical work, especially on William Shakespeare, was highly influential, and he helped introduce German idealist philosophy to English-speaking culture. Coleridge coined many familiar words and phrases, including *suspension of disbelief*. He had a major influence on Ralph Waldo Emerson and on American transcendentalism. Throughout his adult life, Coleridge had crippling bouts of anxiety and depression; it has been speculated that he had bipolar disorder, which had not been defined during his

lifetime He was physically unhealthy which may have stemmed from a bout of rheumatic fever and other childhood illnesses He was treated for these conditions with laudanum which fostered a lifelong opium addiction Coleridge *Lyrical Ballads, With a Few Other Poems* Samuel Taylor Coleridge, William Wordsworth, 2022-06-02 Sherlock Holmes and Dr Watson Merry and Pippin Elizabeth Bennet and Mr Darcy great duos often help to make great literature So when two soon to be luminaries of the English Romantic movement came together to produce a book of their poems the result was inevitable Lyrical Ballads by William Wordsworth and Samuel Taylor Coleridge was a slow burner for readers but grew to be lauded as a landmark piece of work taking English writing in a new direction Wordsworth does most of the heavy lifting by contributing the majority of the poems but Coleridge's efforts include the famous The Rime of the Ancient Mariner The pair aimed to prick the bubble of what they felt was a snobbish approach to 18th century poetry In Lyrical Ballads they use everyday language add the voices of the poor and focus on the original state of nature The result is an accessible original collection that remains fresh to this day William Wordsworth 1770 1850 was an English poet and a pioneer of the Romantic Age in English literature His first collections An Evening Walk and Descriptive Sketches were published in 1793 His career took off after he moved to the Lake District with his sister Dorothy Wordsworth produced countless poems often on the themes of death and grief including the first version of his epic The Prelude He was Poet Laureate from 1843 until his death in 1850 Samuel Taylor Coleridge 1772 1834 was a founder of the Romantic Movement in English literature and one of the Lake Poets He wrote literary criticism including of William Shakespeare's work and the major prose book Biographia Literaria His best known works were the poems The Rime of the Ancient Mariner and Kubla Khan *Lyrical Ballads, With a Few Other Poems* by Coleridge and Wordsworth William Wordsworth, Samuel Taylor Coleridge, 2021-01-13 Lyrical Ballads with a Few Other Poems is a collection of poems by William Wordsworth and Samuel Taylor Coleridge first published in 1798 and generally considered to have marked the beginning of the English Romantic movement in literature The immediate effect on critics was modest but it became and remains a landmark changing the course of English literature and poetry **Lyrical Ballads With A Few Others Poems.** Words Worth, 2023-07-18 Lyrical Ballads is a collection of poems written by William Wordsworth and Samuel Taylor Coleridge This work is considered one of the most important works in the history of English literature representing the beginning of the Romantic movement The poems explore themes of nature love and the human condition This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Lyrical Ballads, with a Few Other Poems William

Wordsworth, 2015-12-13 *Lyrical Ballads with a Few Other Poems* is a collection of poems by William Wordsworth and Samuel Taylor Coleridge first published in 1798 and generally considered to have marked the beginning of the English Romantic movement in literature. The immediate effect on critics was modest but it became and remains a landmark changing the course of English literature and poetry. Most of the poems in the 1798 edition were written by Wordsworth with Coleridge contributing only four poems to the collection including one of his most famous works *The Rime of the Ancient Mariner*. Wordsworth and Coleridge set out to overturn what they considered the priggish, learned and highly sculpted forms of 18th century English poetry and bring poetry within the reach of the average person by writing the verses using normal everyday language. They place an emphasis on the vitality of the living voice that the poor use to express their reality. Using this language also helps assert the universality of human emotions. Even the title of the collection recalls rustic forms of art: the word *lyrical* links the poems with the ancient rustic bards and lends an air of spontaneity while ballads are an oral mode of storytelling used by the common people.

*Lyrical Ballads and other Poems by Samuel Taylor Coleridge and William Wordsworth* William Wordsworth, Samuel Taylor Coleridge, 2023-12-04 *Lyrical Ballads and other Poems* by Samuel Taylor Coleridge and William Wordsworth represents a cornerstone in the Romantic literary movement, encapsulating the introspective and emotive spirit of the era. The anthology challenges conventional poetry by focusing on everyday language and subject matter crafted through a lens of emotional depth and philosophical inquiry. As readers delve into this collection, they are presented with a compelling fusion of narrative poetry and meditative reflections epitomized in works that traverse the rustic landscapes and emotional subtleties of human experience. The collaborative genius of Wordsworth and Coleridge manifests in their seamless ability to transcend the immediate sensory experience and explore the profound, often mystical interconnections between humanity and nature. Their backgrounds—Wordsworth's profound connection to the natural world and Coleridge's fascination with the supernatural and philosophy—enrich this collection beyond mere poetic expression. Aligned with the Romantic movement's emphasis on individualism and emotional authenticity, these voices collectively invite readers into a world where inner and outer realities coexist in harmony and tension. *Lyrical Ballads and other Poems* beckons scholars and poetry enthusiasts alike to explore the revolutionary perspectives that redefined literary ideals. This anthology is not merely a collection but an invitation to engage with the transformative power of poetry, offering both introspective pleasure and a nuanced understanding of Romanticism's profound influence on literature and culture. Capturing the spirit of innovation, this volume promises to stimulate mind and soul with its timeless narratives and insights, bridging the 18th century to modern readers with unmatched relevance and resonance.

**Lyrical Ballads, With a Few Other Poems (1798)** William Wordsworth, Samuel Taylor Coleridge, 2019-07-08 Her beams bemock'd the sultry main  
Like morning frosts  
yspread But where the ship's huge shadow lay  
The charmed water burnt away  
A still and awful red  
Beyond the shadow of the ship  
I watch'd the water snakes  
They mov'd in tracks of shining white  
And when they rear'd the elfish light  
Fell off in hoary

flakes Within the shadow of the ship I watch'd their rich attire Blue glossy green and velvet black They coil'd and swam and every track Was a flash of golden fire
