**Deliverance from Evil Foundation** Daniel K. Olukoya, *MFM at 30* Dr. D. K. Volume 4 (2013) , 2013-11-21 Prayer is a phenomenon which seems to be characteristic not only of participants in every religion but also men and women who do not identify with traditional religions It can be practised even by those who do not believe either in a God or transcendent force In this sense therefore we may assert that the prayer is a typically human activity that has accompanied the development of different civilizations over the course of the centuries Both the material issues of concrete daily life as well as more symbolic elements expressed through words gestures body positions and community celebration are brought together in the act of praying Pulling Down Foundational Jericho Dr. D. K. Olukoya, 2012 Pulling Down Foundational Jericho If you cut off the flower leaf branch or stem of a tree within a particular time frame the part cut off will regenerate This is because the root is still under the ground to supply enough materials for the regeneration of any part that has been cut off If on the other hand you pull out a tree along with the root the story will be over for that tree In the same vein if you can spiritually address and destroy the root of the problem you are facing then that is the end of the problem Learn to employ this tactic in this book *The Future Shape of Christian Proclamation* Cleophus J. LaRue, Luiz C. Nascimento, 2020-08-03 Christianity is turning brown and moving south The Christianity the West has known is in recession and has all but dwindled out of recognition in the opening years of the twenty first century Well over half of the world's Christians now live in the Global South Africa Asia and Latin America They are according to Aberdeen missiologist Andrew Walls the new Representative Christians What they think about Christianity will matter more and more and what North America thinks about Christianity will matter less and less This massive shift in geography and theological point of departure will have a major impact on Christian preaching now and into the future The Future Shape of Christian Proclamation seeks to begin the conversation about how preaching in the Global South will inform the whole of Christian

preaching in the coming years      **Dealing with unprofitable foundations** Dr. D. K. Olukoya, 2016-01-20 This book has been written so that the veil Satan has carefully woven over the faces of men would be removed. Believers do not understand what salvation is all about not to talk of enjoying it. Salvation includes deliverance for spiritual captives in the spirit. One of Satan's best instruments against believers is ignorance. Another reason this work was put together is to expose the subtle ways through which the devil has contaminated many lives thereby preventing them from realizing the purpose of God for their lives. This book is a practical guide for anyone with the determination to experience the power in the name of Jesus Christ as the only name given unto man for salvation      *Battle Cry Compendium Volume 6* Dr. D. K. Olukoya, 2016-02-03 *Battle Cry Compendium Volume 6* *Battle Cry Compendium* is a compilation of spiritual warfare bulletins of messages by Dr. D. K. Olukoya, the General Overseer of Mountain of Fire and Miracles Ministries Worldwide for prayer warriors and intercessors. It is an outstanding collection for those who seek spiritual power from the Almighty      **Women in Yoruba Religions** Oyèrónké Oládém?, 2022-07-19 Uncovers the influence of Yoruba culture on women's religious lives and leadership in religions practiced by Yoruba people. *Women in Yoruba Religions* examines the profound influence of Yoruba culture in Yoruba religion, Christianity, Islam, and Afro-Diasporic religions such as Santería and Candomblé, placing gender relations in historical and social contexts. While the coming of Christianity and Islam to Yorubaland has posed significant challenges to Yoruba gender relations by propagating patriarchal gender roles, the resources within Yoruba culture have enabled women to contest the full acceptance of those new norms. Oyeronke Olademo asserts that Yoruba women attain and wield agency in family and society through their economic and religious roles and Yoruba operate within a system of gender balance so that neither of the sexes can be subsumed in the other. Olademo utilizes historical and phenomenological methods incorporating impressive data from interviews and participant observation showing how religion is at the core of Yoruba lived experiences and is intricately bound up in all sectors of daily life in Yorubaland and abroad in the diaspora      **70 Days Fasting and Prayer Programme 2015 Edition : Prayers that bring unparalleled favour** Dr. D. K. Olukoya, 2015-07-29 Patterned after the annual feasts of the Tabernacle, the annual 70 days of fasting and prayer program is an annual spiritual sacrifice that cannot but yield power and breakthroughs given the covenant that backs it up. We give all the glory to the Lord for what He has been doing with our annual Seventy days prayer and fasting programme. The Lord has used the programme to ignite the fire of revival in thousands of lives, put stubborn pursuers to flight, produce prayer eagles, open chapters of prosperity for many, confuse satanic dribblers, and put the enemies' gear in reverse. Prayer is of great value in turbulent and non-turbulent situations. Prayer is a necessity, not an option. Howbeit, this kind goes out not by PRAYER AND FASTING, Matt 17:21      **Wedlock or Padlock?** Dr. D. K. Olukoya, 2014-02-13 *Wedlock or Padlock* There is no difference between wedlock and padlock. Wedlock is padlock. Those concerned are padlocked. Marriage is either a holy wedlock or an unholy padlock. The wedding ring that many people desire so much is the smallest handcuff in history.
