Cesare and Lucrezia Borgia Samantha Morris, 2020-12-28 This myth busting biography reveals the fascinating true lives of Renaissance Italy's most infamous brother and sister Salacious rumors have shrouded the Borgia family for centuries In particular tales of murder and incest have stuck to the names of Cesare and Lucrezia But in this enlightening biography Samantha Morris separates fact from fiction presenting these two fascinating individuals from their early lives through their years at the Vatican and their untimely deaths Morris begins her narrative in the bustling metropolis of Rome where the siblings were caught up in the dynastic plans of their father Pope Alexander VI Though they were not the villains depicted in popular media their intertwined lives were full of ambition intrigue and danger Drawing on both primary and secondary sources Morris follows Cesare through his cardinalship and military career and Lucrezia through her multiple arranged marriages and her rule over Spoleto

The Renaissance Popes: Culture, Power, and the Making of the Borgia Myth Gerard Noel, 2016-04-28 Between the years of 1447 Nicholas V and 1572 Pius V Rome was transformed from a ruined Medieval city The Vatican became the official home of the church and the world's largest bureaucracy a spectacular new Basilica of St Peter's took 100 years to build and Michelangelo changed the course of art history with his Sistine Chapel

So vast and expensive was this cultural explosion that a new fundraising initiative was launched the sale of indulgences The Renaissance Popes were statesmen warriors patrons of the arts as well as churchmen These were earthly times and the reputations of popes like Alexander VI the infamous Borgia patriarch and Julius II Terrible II for murder poison sodomy and simony vary only in degree Meanwhile the sin of heresy which threatens the very core of the Catholic soul was tirelessly targeted by two other lasting innovations of the period the Inquisition and witch hunts Alexander VI father of the ruthless Cesare and Jezebel Lucrezia is seen to this day as the embodiment of this iniquity But Gerard Noel shows this is unjust and based on false confessions and historical myth What's more Alexander created the blueprint for reform the first of its kind that would eventually lead to the Counter Reformation In his survey of the colourful reigns of the seventeen Renaissance Popes and his examination of the great Borgia myth Noel brings to light the true legacy political artistic religious of an extraordinary time

Wives, Widows, Mistresses, and Nuns in Early Modern Italy Katherine A. McIver, 2016-12-05 Through a visually oriented investigation of historical invisibility in early modern Italy the essays in this volume recover those women wives widows mistresses the illegitimate who have been erased from history in modern literature rendered invisible or obscured by history or scholarship as well as those who were overshadowed by male relatives political accident or spatial location A multi-faceted invisibility of the individual and of the object is the thread that unites the chapters in this volume Though some women chose to be invisible for example the cloistered nun these essays show that in fact their voices are heard or seen through their commissions and their patronage of the arts which afforded them some visibility Invisibility is also examined in terms of commissions which are no longer extant or are inaccessible What is revealed throughout the essays is a new way of looking at works of art a new way to visualize the past by addressing representational invisibility the marginalized or absent subject or object and historical invisibility to discover who does the looking and how this shapes how something or someone is visible or invisible The result is a more nuanced understanding of the place of women and gender in early modern Italy

Lucrezia Borgia Sarah Bradford, 2005-11-01 The very name Lucrezia Borgia conjures up everything that was sinister and corrupt about the Renaissance incest political assassination papal sexual abuse poisonous intrigue unscrupulous power grabs Yet as bestselling biographer Sarah Bradford reveals in this breathtaking new portrait the truth is far more fascinating than the myth Neither a vicious monster nor a seductive pawn Lucrezia Borgia was a shrewd determined woman who used her beauty and intelligence to secure a key role in the political struggles of her day Drawing from a trove of contemporary documents and fascinating firsthand accounts Bradford brings to life the art the pageantry and the dangerous politics of the Renaissance world Lucrezia Borgia helped to create

The Borgia Family Jennifer Mara DeSilva, 2019-10-11 The Borgia Family Rumor and Representation explores the historical and cultural structures that underpin the early modern Borgia family their

notoriety and persistence and reinvention in the popular imagination The book balances studies focusing on early modern observations of the Borgias and studies deconstructing later incarnations on the stage on the page on the street and on the screen It reveals how contemporary observers later authors and artists and generations of historians reinforced and perpetuated both rumor and reputation ultimately contributing to the Borgia Black Legend and its representations Focused on the deeds and posthumous reputations of Pope Alexander VI and his children Cesare and Lucrezia Borgia the volume charts the choices made by the family and contextualizes them amid contemporary expectations and reactions Extending beyond their deaths it also investigates how the Borgias became emblems of anti Catholic and anti Spanish criticism in the later early modern period and their residing reputation as the best and worst of the Renaissance Exploring a spectrum of traditional and modern media The Borgia Family contextualizes both Borgia deeds and their modern representations to analyze the family s continuing history and meaning in the twenty first century It will be of great interest to researchers and students working on interdisciplinary aspects of the Renaissance and early modern Italy The Twentieth Century ,1879
