Putman, 2024-08-01 The New Testament clearly teaches that Jesus was miraculously conceived by the Holy Spirit in the womb of a Jewish virgin named Mary This doctrine is often dismissed by modern scholars who at best see it is a misunderstood parable and at worst see it as a fabrication on the part of the biblical evangelists However for orthodox Christians around the world this doctrine is integrally linked to our understanding of God his Word and the incarnation of Jesus In Conceived by the Holy Spirit The Virgin Birth in Scripture and Theology Rhyne Putman defends the authenticity and significance of the virgin birth of Christ through a meticulous examination of biblical texts and historical context He addresses both traditional and contemporary objections to the doctrine of the virgin birth providing robust answers rooted in Scripture and reason The virgin birth transcends mere parable it stands as a testament to the profound union of God and humanity In this work Rhyne Putman demonstrates not only the truth of the virgin birth but also its necessity for orthodox theology and its implications for A Practical Christology for Pastoral Supervision Geoff Broughton, 2021-03-28 This book sets out a Christian life Christological framework for developing and delivering pastoral supervision Pastoral supervision is a key consideration for any denomination congregation or faith based organisation so this is a vital resource for well being for clergy chaplains and a wide array of pastoral workers Three central Christological themes the revealing re membering and restoring Jesus provide the theological framework for good supervision practice The book draws insights from three gospel passages Luke 24 13 34 Luke 22 39 53 and John 21 1 14 for its Christological themes The practical Christology for pastoral supervision is deepened and extended through three theologians Martin Luther reformed Emil Brunner neo orthodox and James McClendon small B baptist Professional supervision coaching mentoring and spiritual direction is increasingly sought even required by many people in church and faith based organisations This book will therefore be an excellent resource to theologians interested in

the nature and ethics of forgiveness with a discussion inspired by Kierkegaard of the implications of considering interpersonal forgiveness as a work of love It introduces the reader to some key questions that have exercised recent philosophers of forgiveness discussing the relationship between forgiveness and an extended notion of resentment considering whether forgiveness should be conditional or unconditional showcasing a particular understanding of the latter and arguing that there are legitimate forms of third party forgiveness It then introduces the idea of forgiveness as a work of love through a discussion of Kierkegaard key New Testament passages on forgiveness and some contemporary work on the philosophy of love Drawing on both philosophy and the New Testament it offers an understanding of forgiveness that incorporates both agapic love and a proper concern for justice John Lippitt explores religious and secular uses of key metaphors for forgiveness and the idea of forgivingness as a character trait suggesting that seeking to correct for various cognitive biases is key to the development of such a virtue and connecting it to other putative virtues such as humility and hope Lippitt draws on both Kierkegaard's discourse literature and contemporary philosophical work on these latter characteristics before turning to a discussion of the nature of self forgiveness Throughout the book the philosophical and theological literature is rooted in a discussion of various forgiveness narratives including Helen Prejean's Dead Man Walking Thordis Elva and Tom Stranger's South of Forgiveness and Ian McEwan's Atonement Bible-Smart: Matthew Mike Nappa, 2023-04-18 WINNER OF THE 2024 ILLUMINATION BRONZE AWARD FOR THEOLOGY Dig into over 200 honest questions everyone has about the Bible with easy to understand and well researched answers to help you dig even deeper Studying the Bible doesn t have to be a chore and understanding God's Word doesn t have to mean slogging through dull commentaries stuffed with theological jargon Bible Smart Matthew is an invitation to sit down together and talk about honest questions everyone has about the Bible Every page is a relaxed fascinating and enjoyable conversation through the Gospel of Matthew Covering more than 200 questions Mike Nappa gives well researched and thoughtful yet easy to understand answers to what you ve always been curious about Get answers to questions like Do we know where Jesus was buried No one seems to know what happened to Mary s husband Joseph why Why does Jesus call himself the Son of Man And more Get Fascinating Answers to Over 200 Questions You ve Always Wondered About There is joy in discovering the riches of God s Word and curiosity is the first step Each Q A can be read in under two minutes making this book perfect for small group Bible studies young adult ministries or personal reading and devotion This is a new kind of commentary for today s generation Includes questions like What was it like to live with leprosy in Jesus time If Jesus clearly promises you will receive what you ask for in prayer why do so many prayers go unanswered What does it mean that the curtain in the Temple was torn in two when Jesus died Do outer darkness and weeping and gnashing of teeth always refer to hell or are there other interpretations Why was Peter so afraid of a little servant girl that he would deny even knowing Jesus And more If your spirit is hungry then Bible Smart Matthew is where you can get fed In here you ll draw closer to Jesus as you develop a greater understanding of

God's Word and awaken to the difference that it makes in your day to day life Key Features of Bible Smart Matthew Over 200 Relevant Questions Why does Jesus call himself the Son of Man Why does the book of Matthew start with a genealogy Will getting angry once really send me to hell Get answers to all these questions you might have wondered but were afraid to ask Easy to Understand Author Mike Nappa's engaging and conversational writing style will feel like you re asking a trusted longtime friend everything you ve ever wondered about the Bible Cutting through academic language and getting straight to the point Bible Smart is clear concise and delivers complex concepts in simple ways so everyone can understand them Solid Reliable Information Enjoy having well researched information with scriptures to back up expert answers Focusing on Jesus birth life ministry and resurrection Bible Smart will satisfy the most curious souls and leave you even more captivated with God's Word than ever before Bible Smart is perfect for Individual and group study Youth groups Teens and adults Church libraries Confirmation and graduation gifts Discipleship Pastors and church leaders To hand to a friend And more Canon. Covenant and Christology Matthew Barrett, 2020-03-24 The divine inspiration of Scripture may be confidently affirmed from Paul s epistles However it is hard to find such an explicit approach from Jesus and the Gospels In this NSBT volume Matthew Barrett argues that Jesus and the apostles have just as convictional a doctrine of Scripture as Paul or Peter but it will only be discovered if the Gospels are read within their own canonical horizon and covenantal context Death until Resurrection Joseph Saligoe, 2020-03-11 What really happens to the soul when people die This groundbreaking book may appeal both to Luther experts and to those who know little about the Reformer It demonstrates that Luther constantly taught over the last twenty four years of his life that death is like an unconscious sleep It also shows why this matters today for Christians Death until Resurrection is a great first step in understanding God's plan for renewal of the creation that can alleviate our common fears about death Seeing what exactly the scriptural writers meant regarding death as interpreted by one of the most prominent church leaders ever also provides the benefit of helping us better understand core doctrines such as our resurrection the nature of hell and eternal life through salvation This book offers that which very few writers on Luther have done an explanation that can unravel his apparent contradictions and the Luther paradox on the nature of death and the soul using Luther's own words scattered throughout his voluminous writings Learn which group of widely acclaimed authors or experts on Luther was correct about what Luther believed about death Lohse and George or Althaus and Thiselton

Luke's Rhetorical Compositions Paul Elbert, 2022-07-19 Luke s Rhetorical Compositions offers new ideas in Lukan scholarship especially in regard to Aelius Theon s first century rhetoric manual Progymnasmata and inter textual Lukan Pauline biblical studies Two chapters deserve special mention the material in chapter 3 is a groundbreaking discussion of Acts 2 38 in which its Greek verb tense speaks to the subsequent reception of the gift of the Holy Spirit following salvation not coincident with salvation In Acts 2 38 it is Luke s intention to portray Peter as promising the gift of the Holy Spirit to hearers and to those beyond narrative time as a Pentecostal experience Chapter 9 discusses Luke s use of progymnasmatic

examples in his descriptions of the salvation experience It also discusses Luke s clarification of Paul using narrative persuasion from Jesus tradition and history Also Luke s use of basic soteriological vocabulary provides clarity and plausibility His distinctive selection of examples from the Jesus tradition and his duplication of Paul s soteriological vocabulary is very helpful
