Carlo Passaglia on Church and Virgin Valfredo Maria Rossi,2020-07-13 In Carlo Passaglia on Church and Virgin Valfredo Maria Rossi traces the significant contribution that Carlo Passaglia 1812 1887 has made to Catholic theology paying particular attention to his Trinitarian ecclesiology and Mariology Though highly neglected due to his troubled life Passaglia is one of the most brilliant theologians

of the nineteenth century Commonly and yet erroneously ascribed to the Neo Scholastic movement he anticipates and so emerges as a forerunner of several themes which will be developed during the Second Vatican Council In light of Passaglia's two most relevant theological works *De Ecclesia Christi* and *De Immaculato Deiparae semper Virginis Conceptu* Rossi convincingly shows the originality of Passaglia's theology based on a patristic ressourcement highlighting its historical salvific and sacramental dimension

Mary-Virgin, Mother, and Queen Fr. Mitch Pacwa, 2014-03-06 Pray for us oh Holy mother of God Fr Pacwa brings his devotion to the Blessed Mother alive for every Catholic in the next in his series of wildly popular Bible studies *Mary Virgin Mother and Queen A Bible Study Guide for Catholics* looks at Old and New Testament texts that are relevant to the Marian doctrine including God's promise in Genesis that a woman's offspring would strike the head of the serpent The Old Testament Ark of the Covenant as a symbol of Mary Mary's fiat The wedding at Cana Mary at the cross The woman and the dragon in Revelation And more *Mary Virgin Mother and Queen* is perfect for use as a parish Bible study or for individual learning Each chapter includes background and study exercises and questions for reflection and discussion Fr Mitch enlightens clarifies and challenges Catholics to a renewed devotion to the Blessed Mother through whom we are drawn nearer to Christ

Mitch Pacwa, S.J., 2017-05-05 For God so loved the world that he gave his only Son John 3:16 What does it mean to be saved Can I know that I am saved As Christians and especially as Catholics we face these questions on a daily basis not only from the people we meet but also in our own hearts Scripture provides the answer for the Bible isn't simply a collection of disjointed tales it is the story of our salvation In this Bible study Fr Mitch Pacwa guides us through Catholic teaching on salvation as found in Scripture With his characteristic wisdom he tackles tough topics and questions including grace and free will repentance and faith the role of the sacraments and the necessity of good works Perfect for a parish small group study or for personal reflection each of the six sessions in *Saved A Bible Study Guide for Catholics* will help us begin to discover the infinite mystery of our salvation deepening our relationship with the God who saves us

Progress in Unity? Martien E. Brinkman, 1995 As an expert and lively tour guide Brinkman takes the reader through the breathtaking landscape of a half century of ecumenical dialogue The author makes an invaluable contribution by his deft selection of documents his thought provoking commentary on key issues and his keen discernment of the missionary challenge that faces the church of Christ as it travels on the road to greater visible unity the work is equally suitable for personal reading and for the college or seminary classroom A veritable feast for ecumenical and evangelical readers This work is a refreshing stimulus to reflection prayer and action for the unity and mission of the church in a troubled world

George Vandervelde President of the North American Academy of Ecumenists Professor of Systematic Theology Institute for Christian Studies Toronto Canada One thing becomes clear from Martien Brinkman's book those who claim that the ecumenical movement went into a deadlock have not studied its results Most people suffer from a lack of memory when it comes to the history of ecumenical theology during the past 70 years This book provides medicine for ecumenical amnesia It

deals especially with the Faith and Order Movement and Commission within the World Council of Churches There flows from Brinkman's book a whole new stream of an ecumenical theological tradition which is scarcely known even to academic theologians This tradition treats of such matters as Scripture and Tradition Faith and Sacraments Church World and Kingdom of God This book provides an excellent overview and in depth evaluation of the major currents in this developing ecumenical tradition It will certainly promote its reception in the churches and its study in the academy At the same time however it keeps an eye open for the difficulties and tensions of the dialogue between ecumenical and evangelical Christians and between the theological methods of the North and the South It will be difficult to find any more reliable study guide to the results of the multilateral ecumenical dialogues of the twentieth century Anton Houtepen Professor of Ecumenism University of Utrecht The Netherlands This book conceived as a study guide to the Faith and Order Movement does precisely what it sets out to do and does it well It brings the reader into close contact with the documents and studies published by this influential section of the World Council of Churches Such an inventory comes at the right time just as the Commission on Faith and Order takes stock after the World Conference of Santiago and under the guidance of a new director It is no secret that Faith and Order has been invited to reflect upon its future orientation The well documented and orderly survey which Prof Brinkman offers us here will certainly be of help in such a process Jos Vercruysse S J Professor of Church History and Ecumenism Pontifical Gregorian University Rome

International Handbook of Inter-religious Education Kath Engebretson, Marian de Souza, Gloria Durka, Liam Gearon, 2010-08-17

This Handbook is based on the conviction of its editors and contributing authors that understanding and acceptance of as well as collaboration between religions has essential educational value The development of this Handbook rests on the further assumption that interreligious education has an important role in elucidating the global demand for human rights justice and peace Interreligious education reveals that the creeds and holy books of the world's religions teach about spiritual systems that reject violence and the individualistic pursuit of economic and political gain and call their followers to compassion for every human being It also seeks to lead students to an awareness that the followers of religions across the world need to be and to grow in dialogical relationships of respect and understanding An essential aim of interreligious education is the promotion of understanding and engagement between people of different religions and therefore it has great

potential to contribute to the common good of the global community Interreligious education has grown from the interfaith movement whose beginning is usually identified with the World Parliament of Religions held in Chicago in 1893 This was the first time in history that leaders of the eastern and western religions had come together for dialogue and to consider working together for global unity

Growing in Faith Mitch Pacwa, 2014-08-22 Faith is born of an encounter with the living God who calls us and reveals his love a love which precedes us and upon which we can lean for security and for building our lives Pope Francis Lumen Fidei Fr Mitch Pacwa has a God given talent for taking vast topics like faith honing in on the things that will truly make a difference in our lives and presenting these truths in an accessible way Fr Mitch Pacwa's groundbreaking bible study The Year of Faith A Bible Study Guide for Catholics has now been updated to include reflections on faith by Pope Francis In Growing in Faith A Bible Study Guide for Catholics Fr Pacwa uses themes and reflections of Pope Francis to illuminate each of the six sessions in which readers will understand faith as it relates to our relationship with Christ what we profess as Catholics and the ultimate goal of evangelization It is this light of faith that I would now like to consider so that it can grow and enlighten the present becoming a star to brighten the horizon of our journey at a time when mankind is particularly in need of light Pope Francis Lumen Fidei

Catholics and Evangelicals for the Common Good Ronald J. Sider, Dr. John Borelli, 2018-11-07 For centuries evangelical Protestants and Catholics have hurled harsh epithets at each other But that has changed dramatically in the last forty years In 1960 many prominent evangelicals opposed John Kennedy for president because he was a Catholic Today Catholics and evangelicals work together on many issues of public policy This book records one important process in this transformation In 2004 the board of The National Association of Evangelicals NAE the largest representative body of evangelicals in the US unanimously approved For the Health of the Nation as the official public policy document for its public policy efforts representing 30 million evangelicals When scholars read this new groundbreaking document they quickly realized there was widespread agreement between the NAE's official public policy document and the official public policy positions of American Catholics The result was a series of annual meetings held at Georgetown University and Eastern University that brought together prominent Catholic and Evangelical scholars and public policy specialists to explore the extent of the common ground This book reports on that dialogue and its contribution to the increasing Catholic evangelical cooperation
