Lis Wiehl, Pete Nelson, 2019-10-01 All three novels from Lis Wiehl's supernatural mystery series are now available in one collection This smart spooky high stakes mystery engaged my mind and my spirit Tommy and Dani's battle against the seen and unseen forces rising in East Salem has only just begun but I'm fully invested in their journey Erin Healy bestselling author of *Motherless* and *The Baker's Wife* *Waking Hours* Welcome to East Salem A deceptively sleepy town where ancient supernatural forces are being awakened A local high school girl is found murdered in a park amid horse farms and the wealthy homes of northern Westchester County New York The shocking manner of her death intrigues forensic psychiatrist Dani Harris All the suspects are teenagers who were at a party with the girl yet none remembers what happened Could one of them be a vicious killer Or is something more sinister afoot something tied to an ancient evil *Darkness Rising* The evil in East Salem is no longer content to hide in the shadows The stakes and the darkness are rising Dani Harris thought there wasn't much left that could surprise her after serving as a forensic psychiatrist in East Salem And Tommy Gunderson has faced few challenges in his life that he couldn't overcome by either physical strength or his celebrity status But as they race to uncover what's really happening behind the high walls of St Adrian's Academy it becomes clear that supernatural forces have been at work here for generations And now their focus is on making sure Dani and Tommy don't interfere *Fatal Tide* In East Salem the elite St Adrian's Academy is at the nexus of a satanic apocalypse and the fatal tide is rising When Hieronymus Bosch's *Garden of Earthly Delights* is reunited with the pagans who commissioned it a dark prophecy begins to unfold in East Salem beginning with a savage double murder by hellish creatures straight out of the painting itself The lone survivor of the attack a seventeen year old Brit finds sanctuary at Tommy Gunderson's home and the place is soon surrounded by demons who seem to be biding their time but for how long A gripping plot intriguing characters supernatural underpinnings and a splash of romance make *Waking Hours* a fast paced and thoroughly enjoyable read I want the next book in the series now

James L Rubart bestselling author of *The Man He Never Was* and *Rooms* *Darkness Rising* Lis Wiehl, Pete Nelson, 2013-07-09 The evil in East Salem is no longer content to hide in the shadows The stakes and the darkness are rising Dani Harris thought there wasn't much left that could surprise her after serving as a forensic psychiatrist in East Salem And Tommy Gunderson has faced few challenges in his life that he couldn't overcome by either physical strength or his celebrity status But as they race to uncover what's really happening behind the high walls of St Adrian's Academy it becomes clear that supernatural forces have been at work here for generations And now their focus is on making sure Dani and Tommy don't interfere When the unseen becomes seen faith is the only weapon strong enough to fight in a battle involving not just murder and betrayal but angels and demons Wiehl's latest is a truly creepy story with supernatural undertones that seem
