Dani Harris thought there wasn't much left that could surprise her after serving as a forensic psychiatrist in East Salem And Tommy Gunderson has faced few challenges in his life that he couldn't overcome by either physical strength or his celebrity status But as they race to uncover what's really happening behind the high walls of St Adrian's Academy it becomes clear that supernatural forces have been at work here for generations And now their focus is on making sure Dani and Tommy don't interfere When the unseen becomes seen faith is the only weapon strong enough to fight in a battle involving not just murder and betrayal but angels and demons Wiehl's latest is a truly creepy story with supernatural undertones that seem eerily real Romantic Times review of *Waking Hours*
