Ancient Magic and the Supernatural in the Modern Visual and Performing Arts
Filippo Carlà-Uhink, Irene Berti, 2015-04-23 To what extent did mythological figures such as Circe and Medea influence the representation of the powerful oriental enchantress in modern Western art What role did the ancient gods and heroes play in the construction of the imaginary worlds of the modern fantasy genre What is the role of undead creatures like zombies and vampires in mythological films Looking across the millennia from the distrust of ancient magic and oriental cults which threatened the new born Christian religion to the revival and adaptation of ancient myths and religion in the arts centuries later this book offers an original analysis of the reception of ancient magic and the supernatural across a wide variety of different media from comics to film from painting to opera Working in a variety of fields across the globe the authors of these essays deconstruct certain scholarly traditions by proposing original interdisciplinary approaches and collaborations showing to what extent the visual and performing arts of different periods interlink and shape cultural and social identities

Extraordinary Groups Richard T. Schaefer, William W. Zellner, 2015-10-22 *Extraordinary Groups* has had a storied history of excellence over multiple editions Now available from Waveland Press at the start of its fifth decade of availability its

interdisciplinary approach to groups engaged in unconventional lifestyles makes it a popular textbook choice in hundreds of college courses across the social sciences including anthropology religion history and psychology Written by sociologists using and illustrating sociological principles the book is appealing because it is descriptive and explanatory rather than analytical Descriptions of the groups are interwoven with basic sociological concepts but systematic analysis and inductive reasoning are left to the discretion of the instructor Extraordinary Groups is a compelling overview of the broad tapestry of social life that constitutes the United States The illustrated full featured Ninth Edition includes a glossary and end of chapter key terms sources on the Web and selected readings
