historical knowledge for the future Harriet Sarah Bradford,2016-09-12 Harriet The Moses of Her People by Sarah H Bradford Harriet Tubman The title I have given my black heroine in this second edition of her story viz THE MOSES OF HER PEOPLE may seem a little ambitious considering that this Moses was a woman and that she succeeded in piloting only three or four hundred slaves from the land of bondage to the land of freedom But I only give her here the name by which she was familiarly known both at the North and the South during the years of terror of the Fugitive Slave Law and during our last Civil War in both of which she took so prominent a part And though the results of her unexampled heroism were not to free a whole nation of bond men and bond women yet this object was as much the desire of her heart as it was of that of the great leader of Israel Her cry to the slave holders was ever like his to Pharaoh Let my people go and not even he imperiled life and limb more willingly than did our courageous and self sacrificing friend Her name deserves to be handed down to posterity side by side with the names of Jeanne D Arc Grace Darling and Florence Nightingale for not one of these women noble and brave as they were has shown more courage and power of endurance in facing danger and death to relieve human suffering than this poor black woman whose story I am endeavoring in a most imperfect way to give you *Harriet Tubman, The Moses of Her People* Sarah H. Bradford,2005-03-05 Harriet Tubman was an escaped slave who had helped many escaped slaves travel to the northern United States and Canada before the Civil War using the Underground Railroad **Harriet** Sarah H. Bradford,2013-12 Harriet Tubman was a fugitive slave whose work as a conductor on the Underground Railroad made her a legend Born in Dorchester County Maryland Tubman escaped from slavery in 1849 and supported herself by working in Philadelphia hotels before relocating to Canada and later New York Tubman first returned to Maryland in 1850 when she helped a niece escape from Baltimore and over the next ten years she frequently risked her life to liberate family members and other slaves in the area During the Civil War Tubman worked as a nurse and a spy for the Union army in South Carolina where she was known as General Tubman After the war Tubman returned to Auburn New York where she spoke at women s suffrage meetings with other prominent figures such as Susan B Anthony This book is a testament of Harriet Tubman s bravery and triumph in the face of overwhelming danger **Harriet Tubman** Sarah Bradford,2016-10-25 Harriet Tubman was an American abolitionist humanitarian and an armed scout and spy for the United States Army during the American Civil War Born into slavery Tubman escaped and subsequently made some thirteen missions to rescue approximately seventy enslaved families and friends using the network of antislavery activists and safe houses known as the Underground Railroad She later helped abolitionist John Brown recruit men for his raid on Harpers Ferry and in the post war era was an active participant in the struggle for women s suffrage DEAR HARRIET I am glad to know that the story of your eventful life has been written by a kind lady and that the same is soon to be published You ask for what you do not need when you call upon me for a word of commendation I need such words from you far more than you can need them from me especially where your superior labors and devotion to the cause of the lately enslaved of our land are known as I know them The difference between us is very marked Most that I have done and suffered in the service of our cause has been in public and I have received much encouragement at every step of the way You on the other hand have labored in a private way I have wrought in the day you in the night I have had the applause of the crowd and the satisfaction that comes of being approved by the multitude while the most that you have done has been witnessed by a few trembling

scarred and foot sore bondmen and women whom you have led out of the house of bondage and whose heartfelt God bless you has been your only reward The midnight sky and the silent stars have been the witnesses of your devotion to freedom and of your heroism Excepting John Brown of sacred memory I know of no one who has willingly encountered more perils and hardships to serve our enslaved people than you have Much that you have done would seem improbable to those who do not know you as I know you It is to me a great pleasure and a great privilege to bear testimony to your character and your works and to say to those to whom you may come that I regard you in every way truthful and trustworthy Your friend
