solidifying her place as a revered figure in the fight against oppression and the pursuit of freedom for all *Harriet, the Moses of Her People* Sarah Hopkins Bradford, 2012-12-01 In 1869 Sarah Hopkins Bradford published *Scenes in the Life of Harriet Tubman* Though often disjointed this account presented to the public a legendary figure of the Underground Railroad In 1886 Bradford substantially rewrote the biography at the request of Tubman who hoped its sales would raise enough funds for the building of a hospital for old and disabled colored people This second edition *Harriet the Moses of Her People* provided little new information but arranged the jumbled narrative of *Scenes* in chronological order providing a clearer account of Tubman's life A DOCSOUTH BOOK This collaboration between UNC Press and the University of North Carolina at Chapel Hill Library brings classic works from the digital library of Documenting the American South back into print DocSouth Books uses the latest digital technologies to make these works available in paperback and e book formats Each book contains a short summary and is otherwise unaltered from the original publication DocSouth Books provide affordable and easily accessible editions to a new generation of scholars students and general readers **Harriet, the Moses of Her People** Sarah Hopkins Bradford, 2021 This simple unvarnished account recalls the courageous life of Harriet Tubman one of the best known conductors on the Underground Railroad First published in 1869 and privately printed to raise funds for the Moses of her people Sarah Bradford's memorable biography recalls the former slave's grim childhood her perilous experiences leading slaves into Canada her efforts as a Civil War nurse cook and scout for the Union Army and her post conflict endeavors to aid and educate former slaves An inspiring story of bravery perseverance and self sacrifice this accurate reliable account by Tubman's contemporary is essential reading for students of American history and African American studies Amazon.com *Harriet Tubman, the Moses of Her People* Sarah H. Bradford, 2016-04-25 The title I have given my black heroine in this second edition of her story viz THE MOSES OF HER PEOPLE may seem a little ambitious considering that this Moses was a woman and that she succeeded in piloting only three or four hundred slaves from the land of bondage to the land of freedom But I only give her here the name by which she was familiarly known both at the North and the South during the years of terror of the Fugitive Slave Law and during our last Civil War in both of which she took so prominent a part And though the results of her unexampled heroism were not to free a whole nation of bond men and bond women yet this object was as much the desire of her heart as it was of that of the great leader of Israel Her cry to the slave holders was ever like his to Pharaoh Let my people go and not even he imperiled life and limb more willingly than did our courageous and self sacrificing friend Her name deserves to be handed down to posterity side by side with the names of Jeanne D Arc Grace Darling and Florence Nightingale for not one of these women noble and brave as they were has shown more courage and power of endurance in facing danger and death to relieve human suffering than this poor black woman whose story I am endeavoring in a most imperfect way to give you Would that Mrs Stowe had carried out the plan she once projected of being the historian of our sable friend by her graphic pen the incidents of such a life might have been wrought

up into a tale of thrilling interest equaling if not exceeding her world renowned Uncle Tom's Cabin. The work fell to humbler hands and the first edition of this story under the title of Harriet Tubman was written in the greatest possible haste while the writer was preparing for a voyage to Europe. There was pressing need for this book to save the poor woman's little home from being sold under a mortgage and letters and facts were penned down rapidly as they came in. The book has now been in part re-written and the letters and testimonials placed in an appendix.

Harriet the Moses of Her People Sarah Bradford, 2014-10-15 Excepting John Brown of sacred memory I know of no one who has willingly encountered more perils and hardships to serve our enslaved people than you have. Much that you have done would seem improbable to those who do not know you as I know you. Frederick Douglass to Harriet Tubman. A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees. In Charles River Editors' American Legends series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known. Harriet Tubman is one of the most famous women in American history and from an early age every American learns of her contributions to abolition and the Underground Railroad. The woman who became known as the Moses of her people personally led more than 13 expeditions to free slaves in the South and she was so integral in helping escaped slaves achieve freedom that her name is practically synonymous with the Underground Railroad today. If anything the central role she played in the Underground Railroad has become so ingrained among subsequent generations that Tubman's life has been shrouded in legend and other important aspects have been overlooked. In order to fully appreciate and understand both Harriet Tubman's life and the important role she played in the abolitionist movement it is necessary to examine the circumstances in which she was raised and what events drove her to the path she chose. Anthropologist Douglas Armstrong notes so little information about Tubman has been based on fact and so much based on myth and created history that it has only been recently that historians have come to the point where we can recognize her true contributions. In fact Tubman's entire life consisted of struggles and persistence whether she was fighting on behalf of slaves, the Union army during the Civil War or women's rights. After managing to escape the severe beatings and humiliation of slavery herself she put her life

on the line over and over again to help others and she could proudly boast I was the conductor of the Underground Railroad for eight years and I can say what most conductors can't say I never ran my train off the track and I never lost a passenger. But that was only part of her involvement with abolition. Tubman was well acquainted with other famous abolitionists of her time including Frederick Douglass and John Brown and she threw herself into efforts to further the cause of abolition in various ways. Her life and work were publicized nearly 50 years before her death by Franklin Sanborn who worked as an editor in an abolitionist newspaper and detailed the work of the Underground Railroad in the Boston Commonwealth in 1863.
