*Latino/a Children's and Young Adult Writers*

*on the Art of Storytelling* Frederick Luis Aldama, 2018-10-26 Children's and young adult literature has become an essential medium for identity formation in contemporary Latino culture in the United States. This book is an original collection of more than thirty interviews led by Frederick Luis Aldama with Latino authors working in the genre. The conversations revolve around the conveyance of young Latino experience and what that means for the authors as they overcome societal obstacles and aesthetic complexity. The authors also speak extensively about their experiences within the publishing industry and with their audiences. As such, Aldama's collection presents an open forum to contemporary Latino writers working in a vital literary category and sheds new light on the myriad formats, distinctive nature, and cultural impact it offers. No Kids

Allowed Michelle Ann Abate, 2020-10-13 Children's literature isn't just for children anymore. This original study explores the varied forms and roles of children's literature when it's written for adults. What do Adam Mansbach's *Go the F\*ck to Sleep* and Barbara Park's *MA There's Nothing to Do Here* have in common? These large-format picture books are decidedly intended for parents rather than children. In *No Kids Allowed*, Michelle Ann Abate examines a constellation of books that form a paradoxical new genre: children's literature for adults. Distinguishing these books from YA and middle-grade fiction that appeals to adult readers, Abate argues that there is something unique about this phenomenon. Principally defined by its form and audience, children's literature, Abate demonstrates, engages with more than mere nostalgia when recast for grown-up readers. Abate examines how board books, coloring books, bedtime stories, and series detective fiction, written and published specifically for adults, question the boundaries of genre and challenge the assumption that adulthood and childhood are mutually exclusive. **Managing Stress: Skills for Self-Care, Personal Resiliency and Work-Life Balance in a**
