Whited, 2024-02-26 In her follow up to *The Ivory Tower* and *Harry Potter* Lana A Whited has compiled a new collection of essays analyzing the books films and other media by J K Rowling This includes pieces on the Harry Potter books and movies *Fantastic Beasts* and *Where to Find Them* films *The Cursed Child* play as well as her writing outside the wizarding universe such as *The Ickabog* *The Casual Vacancy* and the *Cormorant Strike* series Many of the chapters explore works that influenced the Harry Potter series including Classical epic Shakespearian comedy and tragedy and Arthurian myth In addition to literary comparison the volume delves into topics like political authoritarianism distrust of the media racial and social justice and developments in fandom It's fair to say that much has changed in regard to Harry Potter and J K Rowling scholarship in the twenty years since the first volume's publication While it was once considered a universally beloved book series the relationship between HP and its fans has grown more complicated in recent years As its readers have grown older and Rowling's reputation has wavered in the public eye Whited and her contributors consider the complicated legacy of Harry Potter and its author and explore how the series will evolve in the next twenty years *The Complete Idiot's Guide to the World of Harry Potter* Tere Stouffer, 2007 You're no idiot You know the wildly popular Harry Potter series has captivated readers of all ages from the release of *Harry Potter and the Sorcerer's Stone* on But did you recognize all the subtle references Rowling uses in her characters names or in the magical creatures we encounter and places we explore in Harry's wonderful world of wizardry The truth is the world of Harry Potter is incredibly textured and complex and not only has factual roots in history mythology science and folklore but also draws on all genres of literature from C S Lewis to the Bible You'll learn this and much more in the fun facts and tantalizing trivia provided in this fabulous new addition to the Complete Idiot's Guide series This is not a retelling of Rowling's stories nor is it intended to be a cheat sheet to the novels ala the Cliffs Notes series Instead it is an entertaining and easily referenced presentation of insider information to the world Rowling has created in her spellbinding series of novels **A Guide for Using Harry Potter and the Sorcerer's Stone/Other Harry Potter Books in the Classroom**, 2002-06 Teaching literature unit based on the popular children's story Harry Potter and
