K. Rowling* Cynthia Hallett,Peggy Huey,2012-11-01 J K Rowling s popular series of books about the boy wizard

Harry Potter has captivated readers of all ages around the world Selling more than 400 million copies and adapted into highly successful feature films the stories have attracted both critical acclaim and controversy In this collection of brand new essays an international team of contributors examines the complete Harry Potter series from a variety of critical angles and approaches There are discussions on topics ranging from fairytale race and gender through to food medicine queer theory

and the occult The volume also includes coverage of the films and the afterlife of the series with the opening of Rowling's Pottermore website Essential reading for anyone with an interest in the Harry Potter phenomenon this exciting resource provides thoughtful new ways of exploring the issues and concepts found within Rowling's world *Inside Book Publishing* Giles Clark, Angus Phillips, 2014-06-27 Now in its fifth edition *Inside Book Publishing* remains the classic introduction to the book publishing industry being both a manual for the profession for over two decades and the bestselling textbook for students of publishing The book remains essential reading for publishing students those seeking a career in publishing recent entrants to the industry and authors seeking an insider's view The accompanying website supports the book by providing up to date and relevant content This new edition has been fully updated to respond to the rapid changes in the market and technology Now more global in its references and scope the book explores the tensions and trends affecting the industry including the growth of ebooks self publishing and online retailing and new business models and workflows The book provides excellent overviews of the main aspects of the publishing process including commissioning product development design and production marketing sales and distribution *Turning the Page* Angus Phillips, 2014-02-05 This is an exciting period for the book a time of innovation experimentation and change It is also a time of considerable fear within the book industry as it adjusts to changes in how books are created and consumed The movement to digital has been taking place for some time but with consumer books experiencing the transition the effects of digitization can be clearly seen to everybody In *Turning the Page* Angus Phillips analyses the fundamental drivers of the book publishing industry authorship readership and copyright and examines the effects of digital and other developments on the book itself Drawing on theory and research across a range of subjects from business and sociology to neuroscience and psychology and from interviews with industry professionals Phillips investigates how the fundamentals of the book industry are changing in a world of ebooks self publishing and emerging business models Useful comparisons are also made with other media industries which have undergone rapid change such as music and newspapers This book is an ideal companion for anyone wishing to understand the transition of the book writing and publishing in recent years and will be particularly relevant to students studying publishing media and communications **How to Self-Publish Your Book for Free on CreateSpace and Amazon Kindle** Thomas Jerome Baker, 2013-06-03 ReViewed ReVised ReEdited RePublished on June 14 2015 This update includes a case study of a successful self published author who took 20 years to get published The case study is called *Maids of Misfortune* and it was added as an appendix Also updated statistics from the publishing industry and various experts are referred to throughout the book where appropriate This book is a journey It is told as a story set in its historical context of what it means to do something you have never done before I invoke the names of people who have achieved great things by teaching themselves what they needed to know You are in good company with presidents and poets generals and soldiers rich men and poor men Nobel Prize winners artists architects inventors and scientists True some of these people were

geniuses but most were just common men and women like you and me If they did it so can we The one thing they all have in common with you and me is that they had to teach themselves Like you and me they were autodidactic No matter how frustrated they became they stayed focused on their goals and ultimately achieved them Why Because they never gave up even when it took 20 years they never gave up You and I are in good company so we won't give up when we run into difficulties Self publishing is highly skilled technical work even for people who know what they are doing For you and me it is a daunting challenging task We must be inspired we must be motivated If you are like me and most other people your first try at self publishing will be frustrating Ask other people to help you when you need it It's not an admission of failure it's a sign of wisdom to ask for help Just never give up and you will succeed Perseverance will take you from an elementary basic skill level to an advanced highly skilled level Patience with yourself is needed As time goes on you will get better and better at self publishing I guarantee it I have given you a set of tips and principles that helped me when I first began They will be worth your time to reflect on Remember if we can connect to the stories of the people who came before us and were successful then we can be successful also The information in the book is complete and thorough Like the previous edition I used the self publishing steps in the book to self publish this book Anytime you feel like something is missing or incomplete understand that I have given you all of the information that I used to publish this book Backtrack and you will surely find a solution to whatever problem you may be having Finally the purpose of this book is to help you self publish to help you make your dream to become a successful writer a moneymaking writer come true It's not easy to do for everyone Some of us require more effort to achieve the results we want For others self publishing is so easy that it seems like almost anyone can do it I did it and I believe you can do it too That's why I wrote this book to help you publish your book You can trust me because I have self published more than 100 times I know what I'm talking about If you wait for a publisher you might never see your book's published without paying a high price If you self publish your book will be published In fact ALL of your books will be published How much will it cost you to get published Absolutely nothing That's right 0.00 to get your book's published Get this book and get started on your self publishing journey today [Guinness World Records 2015](#) Guinness World Records, 2014-09-16 With a fresh new design and feel inspired by innovations in tablet technology the latest GUINNESS WORLD RECORDS book presents thousands of new and updated records along with hundreds of amazing never before seen photographs The 2015 edition showcases the very best of the most recent world records with new subjects as diverse as castles 3D printing the search for alien life and the latest developments in AI and robotics Plus the Flashback features offer a look back at the archives to bring you the best of the classic and iconic records from the past 60 years Meanwhile the Gallery spreads present the best GUINNESS WORLD RECORDS photography across themed topics such as giant musical instruments wacky vehicles and animals in action And look out for details of how readers can become record breakers themselves [The Complete Canadian Book Editor](#) Leslie Vermeer, 2016-08-31 The essential resource for aspiring and

professional editors Whether you are a student of the craft or a working editor you need *The Complete Canadian Book Editor* From building and managing author relationships through acquiring and developing manuscripts to every level of text editing and proofing for print and ebooks editors play integral roles in the operations of a book publishing house In *The Complete Canadian Book Editor* veteran editor and professor Leslie Vermeer sets out both the concepts and the processes that an effective editor must command Dr Vermeer guides aspiring editors in presenting themselves successfully to employers and clients and working editors will recognize the voice of a mentor in her advice about career advancement Editors at all levels along with authors and self publishers will find in *The Complete Canadian Book Editor* all of the step by step editorial tools they need to take projects from promising beginnings to their full potential With exercises throughout *The Complete Canadian Book Editor* reinforces key concepts and builds your skills as an expert editor Topics include Manuscript acquisition and book contracts Editorial stages from development to proofreading Design and production including digital workflow What every editor needs to know about marketing The state of book publishing in Canada today The future of publishing and why editors are more important than ever before

Best of TOC ,2013 2012 was quite a year for change in the publishing industry Throughout the year we used the TOC community site toc.oreilly.com to provide insightful analysis of the latest industry developments And since ours is a community site the articles we publish aren't just from the TOC team we also feature perspectives from many of the top innovators and publishing experts It wasn't easy but we hand picked the most noteworthy articles from 2012 for inclusion in this Best of TOC collection We think you'll agree that the more than 60 pieces featured here represent some of the most thought provoking dialog from the past year We've arranged the articles by category so whether you're most interested in marketing revenue models production or innovation in general you'll find something to get your creative juices flowing Resource description page
