

## Harvard Management Review Presentation Skills Pool Assessment Answers

Results concerning cultural differences in management and organizational skills point to some caution in generalizing to the rest of the world. The results of this study suggest that the relationship between the cultural dimension measured here and the organizational success

Employment in retail is projected to grow more than additional full-time positions across industries in the post-recession as shopping is becoming a top leisure activity. Retailers are generating high gross margins, and therefore can be relied on to continue to add jobs.

Various Management Functions: Planning, Organizing, Staffing, Directing, Controlling, Evaluating, and Innovating. These functions are essential for the effective management of an organization. Planning involves setting goals and determining the best way to achieve them. Organizing involves arranging resources and tasks to accomplish the organization's goals. Staffing involves recruiting, selecting, and placing the right people in the right jobs. Directing involves leading, motivating, and guiding the organization's members. Controlling involves monitoring performance and making adjustments as needed. Evaluating involves assessing the organization's progress and making improvements. Innovating involves developing new ideas and products to stay competitive in the market.
