Hasidism And Modern Man

Karin Nielsen-Saines

Hasidism And Modern Man:

Hasidism & Modern Man Martin Buber, 2015-10-27 Hasidism a controversial mystical religious movement of Eastern European origin has posed a serious challenge to mainstream Judaism from its earliest beginnings in the middle of the eighteenth century Decimated by the Holocaust it has risen like a phoenix from the ashes and has reconstituted itself as a major force in the world of ultra Orthodox Judaism Philosopher Martin Buber found inspiration in its original tenets and devoted much of his career to making its insights known to a wide readership First published in 1958 *Hasidism and Modern Man* examines the life and religious experiences of Hasidic Jews as well as Buber's personal response to them From the autobiographical *My Way to Hasidism* to *Hasidism and Modern Man* and *Love of God and Love of Neighbor* the essays span nearly half a century and reflect the evolution of Buber's religious philosophy in relation to the Hasidic movement *Hasidism and Modern Man* remains prescient in its portrayal of a spiritual movement that brings God down to earth and makes possible a modern philosophy in which the human being becomes sacred Martin Buber Dan Avnon, 1998 In this volume Dan Avnon analyzes and reconstructs Buber's corpus of mature writings revealing the radical nature of Buber's response to the most fundamental questions of human existence The book invites the reader to reexamine conventional notions of the role of language thought and writing in communicating impressions of reality An essential introduction to Buber's work and his unique approach to writing The Letters of Martin Buber Martin Buber, 1996-10-01 This carefully edited selection of correspondence includes letters both to and from Martin Buber from world renowned scholars thinkers and philosophers This edition contains the Preface to the German edition as well as a Biographical Sketch by Grete Schaeder **Hasidism and modern man**, ed Martin Buber, Maurice S. Friedman, *Martin Buber and His Critics (Routledge Revivals)* Willard Moonan, 2016-02-05 First published in 1981 Martin Buber has been acclaimed as one of the major philosophical and religious thinkers of the twentieth century with his influence and achievements spanning numerous fields however in each of these areas his work has also been severely criticised and his influence called into question This volume brings together in a systematic arrangement all the significant material by and about Martin Buber published in English up to the centenary of his birth in 1978 To make the bibliography as useful as possible the critical material was annotated and various indexes were constructed including an extensive subject index to both Buber's works and the criticism **Elie Wiesel, the Shtetl, and Post-Auschwitz Memory** Christine June Wunderli, 2023-04 How are Holocaust events remembered and narrated and why What knowledge can Holocaust testimony convey Christine June Wunderli explores these questions as she examines four works by Holocaust survivor Elie Wiesel Guided by Bourdieu's theory of literary field as well as Young's theory of literary representation she traces Hasidic influences in Wiesel's writing Her conclusions are telling Wiesel's narratives are born as memory is pulled towards both Auschwitz and the shtetl caught up in the tension between the two Still the emerging trajectory is one of hope led by a new categorical imperative **Martin Buber and Feminist Ethics** James W.

Walters,2003-10-01 As a deeply religious thinker who disclaimed all rationalistic systems Martin Buber produced an insightful critique of modern philosophical ethics one that became productive soil for another nontraditional philosophical ethic feminism s care ethic In light of the recent emphasis on the new morality antifoundationalism and postmodernism in ethics the dialogical ethics of Martin Buber merits close examination Most important Walters compares and contrasts Buber s and feminism s personalist ethics in light of two considerations the lack of attention by feminist writers to the feminist Buber linkage and the long standing and general inattention by twentieth century thinkers to the ethical dimensions of Buber s thought *45 Great Philosophers and What They Mean for Judaism* Shmuly Yanklowitz,2024-06-18 In this new forty five chapter series Rabbi Shmuly explores forty five of the most influential philosophers throughout history and how Jewish ideas might engage with each of the philosophers and their philosophical projects At times Judaism may need to reject harmful foreign ideas Other times Judaism may need to adapt integrate and expand There are many other approaches we ll see of how Jewish thought can engage with other philosophies as well In this exciting new exploration we learn about Jewish intellectual history and what it means for us today *American Jewry and the Re-Invention of the East European Jewish Past* Markus Krah,2017-11-20 The postwar decades were not the golden era in which American Jews easily partook in the religious revival liberal consensus and suburban middle class comfort Rather it was a period marked by restlessness and insecurity born of the shock about the Holocaust and of the unprecedented opportunities in American society American Jews responded to loss and opportunity by obsessively engaging with the East European past The proliferation of religious texts on traditional spirituality translations of Yiddish literature historical essays photographs and documents of shtetl culture theatrical and musical events culminating in the Broadway musical *Fiddler on the Roof* illustrate the grip of this past on post 1945 American Jews This study shows how American Jews reimagined their East European past to make it usable for their American present By rewriting their East European history they created a repertoire of images stories and ideas that have shaped American Jewry to this day *Martin Buber* Sarah Scott,2022-12-06 A new collection of essays highlighting the wide range of Buber s thought career and activism Best known for *I and Thou* which laid out his distinction between dialogic and monologic relations Martin Buber 1878 1965 was also an anthologist translator and author of some seven hundred books and papers Martin Buber *Creaturely Life and Social Form* edited by Sarah Scott is a collection of nine essays that explore his thought and career Martin Buber *Creaturely Life and Social Form* shakes up the legend of Buber by decentering the importance of the *I Thou* dialogue in order to highlight Buber as a thinker preoccupied by the image of relationship as a guide to spiritual social and political change The result is a different Buber than has hitherto been portrayed one that is characterized primarily by aesthetics and politics rather than by epistemology or theology Martin Buber *Creaturely Life and Social Form* will serve as a guide to the entirety of Buber s thinking career and activism placing his work in context and showing both the evolution of his thought and the extent to which he remained driven by a persistent set of concerns

Scholar and Kabbalist: The Life and Work of Gershom Scholem Mirjam Zadoff, Noam Zadoff, 2018-10-02 The articles collected in *Scholar and Kabbalist: The Life and Work of Gershom Scholem* present diverse biographical aspects and the scholarly oeuvre of arguably the most influential Jewish Israeli intellectual of the 20th century. Immigrating to Palestine in 1923, Gershom Scholem became one of the founders of the Hebrew University in Jerusalem and was the first to establish Jewish Mysticism as a scholarly discipline. The articles collected here reflect the diversity of Scholem's intellectual scope, including his contribution to Jewish Studies as a scholar of Kabbalah, religion and history as a bibliophile and an expert librarian of Judaica. Central aspects of Scholem's impact on Jewish historiography, literature and art in Israel, Europe and the US are presented to the reader for the first time. *Martin Buber's Spirituality* Kenneth Paul Kramer, 2023-06-14 How do we find meaning in our life? This book explores how Martin Buber, one of the 20th century's greatest religious thinkers, answers this timeless question. Author Kenneth Paul Kramer explains Buber's Hasidic spirituality, a living connection between the human and the divine, and how it is relevant to all spiritual seekers. According to Buber, we find meaning in life through wholeheartedly letting God in. He developed this theme through six thought-provoking talks originally published as *The Way of Man*. In *Martin Buber's Spirituality*, Kramer explains the accessible practices Buber outlined in these talks, shares the stories Buber used to illustrate each point, and explores how these teachings might apply in everyday life today. The book features questions for personal or group reflection to help readers more fully explore Martin Buber's approach to spirituality, along with a glossary of key terms. *The Martin Buber Reader* A. Biemann, 2016-04-30 Martin Buber was professor of the history of religions and Jewish religion ethics from 1923 to 1933 at the University of Frankfurt. He resigned in 1933 after Hitler came to power and immigrated to Israel, where he taught at the Hebrew University in Jerusalem. Buber wrote numerous books during his lifetime (1878-1965) and is best known for *I and Thou* and *Good and Evil*. His philosophy of dialogue, that is, the I-Thou relationship, which affirms each individual as being of unique value, is extremely well known and has influenced important Protestant theologians like Karl Barth, Emil Brunner, Paul Tillich, and Reinhold Niebuhr. There is truly no genuine understanding of contemporary Jewish and Christian theology without reference to Martin Buber. His appeal is vast, not only is he renowned for his translations of the Old Testament, but also for his interpretation of Hasidism, his role in Zionism, and his writings in both psychotherapy and political philosophy. *Christian Ambivalence Toward Its Old Testament* Alexander Blair, 2011-01-01 The Old Testament Torah and Prophets recount the history of an Israel understanding the essence of each person to be the sum of its interactive, thus essence-creating, social roles such as citizen, parent, or employee. In contrast, the European world had developed a culture described by Plato as emanating from the logos but actually directed from its upper class. Each individual was to fill its logos-determined place in the social order, in contrast to Israel's God delegating responsibility to the human community. Genesis 1:27, for itself, continuously creating its interactive social structure, its culture. In 325 BCE, Greece colonized the Near East and pressured the Jewish leaders to reinterpret their scriptures as

static rules from above rather than interactive resource for learning from past experience The Jewish reformer Jesus of Nazareth urged the people to maintain their interactive tradition which caused his elimination by the colonial authorities The New Testament recounting of this restorative movement puts its current issues in creative internal interaction with Old Testament described events on average more frequently than once every two New Testament verses However neo Platonic Christian theologians Augustine Aquinas Luther Tillich and Rahner misunderstood the Old Testament and Jesus embrace of it and nineteenth and twentieth century theologians Schleiermacher Harnack and Bultmann explicitly rejected it In the 1960s scholars Eichrodt and von Rad rediscovered the Old Testament proclaimed bilateral internal interaction between God and the community And by the late twentieth century Europeans Metz and Chauvet and Latin Americans Gutierrez and Segundo offered a thoroughly interactive Christian theology Can European and North American Christianity understand its New Testament Before 1832 peasants could theologians couldn't After 1832 some theologians can most middle class consumers can't most politicians don't want to while most Africans and mestizo Latin Americans implicitly always did

Christianity and Western Thought Alan G. Padgett, Steve Wilkens, 2009-08-28 Colin Brown's Christianity Western Thought Volume 1 From the Ancient World to the Age of Enlightenment was widely embraced as a text in philosophy and theology courses around the world His project was continued with the same spirit energy and design by Steve Wilkens and Alan Padgett in volume 2 which explores the main intellectual streams of the nineteenth century This the third and final volume also by Wilkens and Padgett examines philosophers ideas and movements in the twentieth century and how they have influenced Christian thought

A Literary Shema Lori A. Kanitz, 2020-02-10 For the duration of her writing career Pulitzer Prize winning author Annie Dillard has unflinchingly asked and kept on asking enormous and difficult questions What is the relation of Creator to creation Why is there evil and unjust suffering How do we make meaning of our experiences Who is responsible for redeeming the world's brokenness Moreover she has done so in every genre within the impressive range of her canon her poetry literary nonfiction novels autobiography literary criticism and memoirs Two enduring influences have shaped Dillard's cosmos spanning questions and their metanarratives Christianity and Jewish mysticism particularly Hasidism and Isaac Luria's Kabbalism Though much scholarly attention has been paid to the influence of Christian mysticism in Dillard's work none has yet explored the role of her lifelong interest in Jewish mystical traditions This book seeks to fill that scholarly gap and demonstrate how Dillard's theological vision and voice both reflect and enact central features of Hasidic and Kabbalistic thought resulting in what could be called Dillard's literary shema

My Friendship with Martin Buber Maurice Friedman, 2013-06-25 Martin Buber's philosophy of dialogue sought to express the human experience through the ways in which we encounter and interact with others His I Thou theory of dialogue and I It theory of monologue expressed ways of understanding one's place in the world in relation to others objects and especially God Buber died in 1965 leaving behind a vast library of writings and ardent students and scholars eager to engage with his ideas One of the most

prominent scholars was Maurice Friedman Friedman and Buber shared a professional as well as a personal relationship based on translating interpreting and intellectual curiosity Beginning in the summer of 1950 and ending with Buber's death this volume takes the reader through Buber's three visits to America his wife's death the author's stay in Jerusalem and the articulation of Buber's culminating philosophy of the interhuman In tracing this chronology Friedman draws extensively on his personal collection of letters exchanged with Buber Intimate and meditative this book provides an exploration of a deeply intellectual friendship shared between two extraordinary thinkers

Negative Theology as Jewish Modernity Michael Fagenblat, 2017-02-27 Negative theology is the attempt to describe God by speaking in terms of what God is not Historical affinities between Jewish modernity and negative theology indicate new directions for thematizing the modern Jewish experience Questions such as What are the limits of Jewish modernity in terms of negativity Has this creative tradition exhausted itself and How might Jewish thought go forward anchor these original essays Taken together they explore the roots and legacies of negative theology in Jewish thought examine the viability and limits of theorizing the modern Jewish experience as negative theology and offer a fresh perspective from which to approach Jewish intellectual history

Martin Buber's Social and Religious Thought Laurence J. Silberstein, 1990-12-01 Moore focuses on Buber's central message about what it means to be a human being a person of faith and what mankind can do to overcome the eclipse of God Shofar Solid well researched and sympathetic might well spur a person to go back and read Buber Commonwealth

Turning to the Other Donovan D. Johnson, 2020-09-02 I and Thou is a summons calling us to dialogue today Like the call Buber himself received the book invites us to encounter the Other our counterparts both human and eternal Buber's spiritual awakening his engagement with his people and his times his wide reading and his grief are contexts that open up this call to us to join with him in the fullness of a life of dialogue If we follow Buber into his study into the struggle of his inner life into his achievement of dialogical existence he opens up the wonders of I and Thou to us as his testament and his call to us to turn to dialogue and he shows us the path to the fulfillment of that life This book ushers us to that place
