our homes But fixing things isn't the answer What we need is a paradigm shift one where we stop trying to get our act together and start living boldly imperfect lives Sharing her own story of faltering under the crushing expectations of the world when she found herself pregnant at age sixteen Elizabeth Danks Robbins turns the very idea of perfect on its head Instead she shows you how to stop fearing the opinions and criticism of others in favor of creating a life you actually enjoy You'll learn to reframe your mindset embrace who you are now trade perfection for peace Release yourself from the pressure to prove yourself to the world Because as it turns out you're not a perfect woman You're a real one
