La Inmortalidad Maxi:

The Jew in the Novels of Benito Perez Galdos Sara E. Schyfter, 1978 A study of Galdos's Jewish characters and what they tell us about the place of Jews in 19th Spanish society and culture Few Spanish novelists have dealt with the problem of religion and religious commitment more comprehensively than Benito Perez Galdos His lifelong preoccupation with man in search of transcendence repeatedly led him to evaluate and criticize the religious institutions that stifled rather than helped man in his search In the Jews Galdos saw a people who though victimized by religious intolerance managed to survive persecution and affirm an abiding faith in God He created Jewish characters throughout his long literary career and therefore presents the most comprehensive portrait of Jews as they existed in the culture the religion and fabric of 19th Spanish society El amigo de todos, 1971 **Galdós, invención de la mujer y poética de la sexualidad** Teresa M.
