

The incredible case of the...

‘Kecksburg Doppelganger Effect’

On December 9, 1965, a UFO crash was reported in Bing, rural Kecksburg, PA. To this day, the United States military has, as is usually their 'm.o.', steadfastly denied ever removing anything from that crash site. It was always assumed that, as usual, our government was simply lying...but this time, you'll be shocked to learn that, for maybe the first time, it wasn't! In this riveting screenplay, you'll not only discover what happened on that fateful day; you'll also find out what this object really was, how it got here, where it went and the unforeseen consequences of that fateful incident still facing America. You'll also realize that Blake Roberts and the rest of our heroes at 'Unit One' will have their hands full once again!!!
