Kehinde Wiley A New Republic:

Kehinde Wiley Eugenie Tsai, 2015-02-18 Filled with reproductions of Kehinde Wiley's bold colorful and monumental work this book encompasses the artist's various series of paintings as well as his sculptural work which boldly explore ideas about race power and tradition **Kehinde Wiley** Seattle Art Museum, 2016 *Kehinde Wiley* , 2016 Educator resource guide for the exhibition This guide looks at three portraits by Kehinde Wiley and explores ideas about how these works examine personal and cultural identities Contains background information looking questions and activity suggestions Judith Scott Judith Scott, Catherine Morris, Matthew Higgs, 2014 This fascinating and generously illustrated book offers an in depth look at the art and life of Judith Scott and accompanies the first major exhibition of her artworks in the U S Judith Scott's story has become widely known born with Down syndrome and institutionalized for thirty years before moving to the Bay Area to be near her twin sister Scott had long hidden artistic sensibilities that were first discovered at the visionary Creative Growth Art Center in Oakland There she developed an affinity for fiber and other found materials creating remarkable and idiosyncratic objects fastidiously assembled structures that radically challenge our attempts to define them as sculpture In addition to illustrations of more than forty essential works this volume includes a number of essays that trace Scott's artistic development and her place within the field of contemporary art as a whole A previously unpublished interview with Scott's twin sister Joyce tells the story of how Judith's move from relative isolation to a supportive and nurturing environment allowed an unexpected and extraordinary talent to emerge and flourish Publisher description *Productive failure* Alpesh Kantilal Patel, 2017-07-21 This title sets out to write new transnational South Asian art histories to make visible histories of artworks that remain marginalised within the discipline of art history However this is done through a deliberate productive failure specifically by not upholding the strictly genealogical approach that is regularly assumed for South Asian art histories For instance one chapter explores the abstract work of Cy Twombly and Natvar Bhavsar The author examines whiteness the invisible ground upon which racialized art histories often pivot as a fraught yet productive site for writing art history This book also provides original commentary on how queer theory can deconstruct and provide new approaches for writing art history Overall this title provides methods for generating art history that acknowledge the complex web of factors within which art history is produced and the different forms of knowledge production we might count as art history D. W. Griffith's The Birth of a Nation Jenny Barrett, Douglas Field, Ian Scott, 2022-12-27 In 1915 American filmmaker D W Griffith released a film that went on to become one of the most controversial of all time Over a century later The Birth of a Nation continues to stimulate debate on the relationship between Hollywood and racism This volume reveals new perspectives on Griffith's film across ten original chapters re considering it as text historical milestone and influence The volume also includes a helpful timeline that lists key publications and events in Birth's ongoing history revealing the rich and stimulating discourse on its art its cultural impact and its ethical dimensions Re-envisioning the Contemporary Art Canon Ruth

Iskin,2016-12-08 Re envisioning the Contemporary Art Canon Perspectives in a Global World seeks to dissect and interrogate the nature of the present day art field which has experienced dramatic shifts in the past 50 years In discussions of the canon of art history the notion of inclusiveness both at the level of rhetoric and as a desired practice is on the rise and gradually replacing talk of exclusion which dominated critiques of the canon up until two decades ago The art field has dramatically if insufficiently changed in the half century since the first protests and critiques of the exclusion of others from the art canon With increased globalization and shifting geopolitics the art field is expanding beyond its Euro American focus as is particularly evident in the large scale international biennales now held all over the globe Are canons and counter canons still relevant Can they be re envisioned rather than merely revised Following an introduction that discusses these issues thirteen newly commissioned essays present case studies of consecration in the contemporary art field and three commissioned discussions present diverse positions on issues of the canon and consecration processes today This volume will be of interest to instructors and students of contemporary art art history and museum and curatorial studies **The Obama Portraits**

Simone C. Drake,2016-08-08 Simone C Drake spent the first several decades of her life learning how to love and protect herself a black woman from the systems designed to facilitate her harm and marginalization But when she gave birth to the first of her three sons she quickly learned that black boys would need protection from these very same systems systems dead set on the static homogenous representations of black masculinity perpetuated in the media and our cultural discourse In When We Imagine Grace Drake borrows from Toni Morrison s Beloved to bring imagination to the center of black masculinity studies allowing individual black men to exempt

themselves and their fates from a hateful ignorant society and open themselves up as active agents at the center of their own stories Against a backdrop of crisis Drake brings forth the narratives of black men who have imagined grace for themselves We meet African American cowboy Nat Love and Drake s own grandfather who served in the first black military unit to fight in World War II Synthesizing black feminist and black masculinity studies Drake analyzes black fathers and daughters the valorization of black criminals the black entrepreneurial pursuits of Marcus Garvey Berry Gordy and Jay Z and the denigration and celebration of gay black men Cornelius Eady Antoine Dodson and Kehinde Wiley With a powerful command of its subjects and a passionate dedication to hope When We Imagine Grace gives us a new way of seeing and knowing black masculinity sophisticated in concept and bracingly vivid in telling Disturbing Times Catherine E. Karkov, Anna Kłosowska, Vincent W. J. van Gerven Oei, 2020 From Kehinde Wiley to W E B Du Bois from Nubia to Cuba Willie Doherty s terror in ancient landscapes to the violence of institutional Neo Gothic Reagan s AIDS policies to Beowulf fanfiction this richly diverse volume brings together art historians and literature scholars to articulate a more inclusive intersectional medieval studies It will be of interest to students working on the diaspora and migration white settler colonialism and pogroms Indigenous studies and decolonial methodology slavery genocide and culturecide The authors confront the often disturbing legacies of medieval studies and its current failures to own up to those and also analyze fascist nationalist colonialist anti Semitic and other ideologies to which the medieval has been and is yoked collectively formulating concrete ethical choices and aims for future research and teaching In the face of rising global fascism and related ideological mobilizations contemporary and past and of cultural heritage and history as weapons of symbolic and physical oppression this volume s chapters on Byzantium Medieval Nubia Old English Hebrew Old French Occitan and American and European medievalisms examine how educational institutions museums universities and individuals are shaped by ethics and various ideologies in research collecting and teaching **The Palgrave Handbook of Race and the Arts in Education** Amelia M.
