

The background of the cover is a photograph of an open historical map, likely a 19th-century edition of a world map. The map is spread across two pages, showing various geographical features and place names. A dark, semi-transparent rectangular overlay covers the central portion of the map, providing a background for the title text. The title is written in a white, serif, all-caps font. Below the title, the volume number is centered, followed by a horizontal line and the authors' names.
