*How to Stay Sane in a Crazy World* Sophia Stuart, 2014-02-18 When did you last go back to bed on a Sunday morning with magazines and some tea and cake Or sink into a bubble bath by candlelight and listen to soothing music When was your last massage or vacation If you can't remember the last time you took care of yourself like this this book is for you There was a time when Sophia Stuart needed this book too She lived a crazy life with no true relaxation and soon enough she found herself in front of a surgeon who told her that she had three tumors in her throat and that she needed a five and a half hour surgery plus almost a month of medical leave to recover And that's when she fell apart But the kindness of strangers helped her through it all Her anonymous blog teamgloria.com gave her an outlet to express everything she was feeling her fear of the pain her anxiety about the operation her frustration about being stuck at home and anything else that came up Her writing also focused on all the glorious people places and things that make life delicious and slowly it helped her realize that she wanted to live differently On teamgloria.com Sophia wasn't an executive or a media specialist she was just another person sharing her thoughts and creativity And through this she forged deep virtual friendships with people who cheered her on and taught her how to stay sane in a crazy world This book brings together what she learned It's full of practical ideas and sweet inspirations and even a few shopping lists at the back to guide you to a more serene place Because sometimes the world just looks better after a stroll or reading a novel in the park or making a kindness kit for yourself or a long nap on a summer's afternoon So grab this book with its gentle suggestions and peaceful images and use it as your own little slice of tranquility
