*The Ten Commandments* Danny Shelton, 2007 **The Ten Commandment Dilemma** Thomas E. Martin, 2005-01-24 For centuries the big questions of the Bible has been Can I go to heaven by just keeping the ten commandments Will people that has never heard about Jesus go to heaven when they die Will I go to heaven when I die if I have been a good person What is the real reason for the ten commandments Can I go to heaven by just believing there is a God Can I go to heaven without belonging to a church Can I go to heaven without being baptized Can I go to heaven by just confessing my sins Does the ten commandments have any saving power Do real heroes go to heaven when they die just because they are heroes Do famous people go to heaven when they die just because they are famous here Can a person be born again after they die Is there other ways to heaven than what the Bible teaches These questions and others are answered in this book and the reader of this book will find much information for beginning a Bible study and devotions The answers that are printed in this book are not just the opinions of any one individual they come from the authority of the Holy Bible The only book in which all mankind will be judged Rev 20 12 **The Ten Commandments** Dennis Leap, Philadelphia Church of God, 2013-10-17 God gave 10 basic laws to mankind on how to live Many people scoff at God s commandments but do you know that God gave them to ensure human happiness Are the commandments to be observed today or has God s law been done away Discover the true meaning and intent of the Ten Commandments In this booklet The First and Great Commandment Beloved Flee Idolatry Use God s Name Truthfully Remember God s Sabbath Day The First Commandment With Promise You Shall Not Murder You Shall Not Commit Adultery You Shall Not Steal You Shall Not Bear False Witness You Shall Not Covet This ebook is offered completely free of charge by the Philadelphia Church of God However please not that Google Play will need a verified Google Wallet account which requires your credit card information In a small number of countries a temporary authorization of 1 will be charged to your account but will be refunded This refund can take up to 1 month to process *Keeping the Promise* Andrew D. Parker, 1994-08 A nine session journey of faith that draws confirmands into the often untapped lay resources of

the Church Includes guides for the mentor and the confirmand with creative exercises and a section for journal writing that add a personal dimension to the learning process      *Ten Commandments* John C. Williams, 2012-11 God has given us ten simple rules to follow that we may have life and have it more abundantly From the time He unveiled the Ten Commandments to the children of Israel at Mount Sinai until now God's people have been identified by the fact that they follow His commandments The Ten Commandments are the Christian's code of conduct that separates us from the rest of the world and serves as a barometer of our allegiance to the Creator of the universe Ten Commandments The Christian Code of Conduct examines the commandments of God and how they apply to the Christian life The book also addresses one of the most misunderstood commandments the fourth commandment and the call to observe the biblical Sabbath Many Christians differ on their interpretation of this commandment but through a clear study of the Bible this book points to the truth of the Sabbath and the importance for Christians to follow all ten commandments As the end of the world draws near those who will be ready for Christ's return are those who keep the commandments of God and the faith of Jesus Rev 14 12 May God's followers be found keeping all ten of His commandments      **The Maker's Instructions** David Pawson, 2014-01-14 King Alfred is perhaps best remembered for allowing cakes to become burnt but he did something far more significant and of lasting value He used ten commandments given to the Jewish people centuries before as the foundation of English law He instinctively knew they contained the recipe for a safe and successful society The secret they all contain is respect Respect for God first for his uniqueness his nature his name his special day then respect for each other our families life itself marriage property and reputation Churches have urged members to memorise the Ten Commandments along with the Lord's Prayer and the Apostles Creed often putting all three up on the wall as summaries of the Christian faith and life as well as using them in worship But how can principles laid down so long ago and so far away be relevant to contemporary society Well as one New Testament translator J B Phillips puts it By the straight edge of God's law we find out how crooked we are Only after this discovery are we ready to consider the gospel of Jesus      **The Ten Commandments** United Church of God, 2011-11-16 Can you find a proven source for lasting standards and values God revealed the heart of His standards the Ten Commandments long ago at Mount Sinai But what sets them apart from man made rules and guidelines What do they reveal about nature of God Himself In this booklet you'll discover the answers to these questions and more Inside this booklet The First Commandment What Is Our Greatest Priority The Second Commandment What Is God Like The Third Commandment From Profanity to Praise The Fourth Commandment Key to a Relationship With Our Creator The Fifth Commandment A Foundation for Success Sixth Commandment Life Is a Precious Gift Seventh Commandment Protect the Marital Relationship Eighth Commandment Practice Giving Rather Than Getting Ninth Commandment Truth as a Way of Life Tenth Commandment True Righteousness Comes From the Heart Does the New Covenant Abolish the Commandments View or download other free booklets at [www.ucg.org](http://www.ucg.org)      Keeping the Ten Commandments! **Name Christian and Gospel Dispensation, Etc** Elizabeth Redford, 1690      Saturday no Sabbath: or, the seventh-day Sabbath proved to be of no force to the beleieving Gentiles in the times of the Gospel, etc Jeremiah IVES, 1659      Israel and the Covenants in New Testament Times Peter Williams, 2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that      People's Christian Bulletin ,1925      **A Mechanic's Handbook To The God Of The Bible** Michael O. Borthwick, Michael O Borthwick's A Mechanic's Handbook To The God Of The Bible Why God Just Makes Sense is written from a mechanic's point of view Because the author who is a mechanic understands that there are rules and procedures to follow when fixing things he uses that analogy in describing walking with God Just like most machines will have a manual the Bible is God's manual for his creations to follow This book is truly a very detailed handbook that shows the reader the God of the Bible from many different aspects Michael provides logical answers for those who have questions about God He systematically approaches the Word of God connecting the dots from Genesis to Revelation There is a sincerity and inspirational tone in his writing Whether he is sharing personal details about his life or explaining Bible passages his narrative style is straightforward and easy to read Borthwick's tone is casual and warm as a friendly conversation in a friend's living room This book covers many aspects of the Christian faith His personal stories which are all

back by scripture tells how through the ups and downs of life some caused by his own foolishness God is always present The author s use of scriptural references to back up what he wrote in this handbook His explanation of the scriptures from the Bible makes the book true to its title It s a book that when read cover to cover gives the reader a solid foundation of Why God Just Makes Sense a good book to give out to family friends neighbours or acquaintances who s searching
