There is a surprising amount of unexpressed DNA lurking within the human body A stunning 98 percent of our DNA has no known purpose It is evolutionary detritus What might happen if a portion of that silent DNA was suddenly not so silent While most evolutionary change occurs over many millennia genetic adaptations can occur rapidly literally from one generation to the next Environmental stressors can change the way genes are expressed even though the genes may remain the same We are poised for a genetic leap The appearance of a new hominid species will happen eventually That's the way evolution works The alternative to adaptation is extinction So perhaps our children will not be exactly like us How would the world react Set against the backdrop of a continuing COVID 19 pandemic a once in a millennium drought a divisive culture and a society reliant on misinformation from social media follow the story of a very human mother and her maybe not so very human daughter and grandson as they try their best to live normal lives in a rapidly changing world that is anything but normal

**Falling for You (A Bradford Sisters Romance Book #2)** Becky Wade, 2018-05-01 Famously beautiful model Willow Bradford is taking a temporary break from her hectic schedule to work as the innkeeper at her family's small town bed and breakfast. She was enjoying the peace of her hometown Merryweather, Washington, right up until she came face to face with Corbin Stewart, the man she loves to hate. A thoughtful rule follower by nature, Willow threw caution to the wind four years ago when she entrusted her heart to Corbin and suffered the consequences when it all fell apart. Former NFL quarterback Corbin is forceful, charming, and accustomed to getting what he wants, except where Willow Bradford is concerned. Unable to forget her, he's never stopped regretting what happened between them. When their paths unexpectedly cross again, he's determined to make her give him a second chance. When a decades-old missing persons case finds Corbin and Willow working together, they're forced to confront their past and who they've become and whether they can risk falling for one another all over again.

**Secrets Unlocked** C. F. Francis, 2023-01-24 This was my first C. F. Francis book, and now I'm eager for more. USA Today bestselling author Rachel Grant: A secret from her past may cut her future short. Every year since her 18th birthday, Savannah Finch receives a charm from an anonymous sender. Raised in foster care with an undeserved stop in juvenile detention, Finch desires nothing more than a simple, uncomplicated life. But when an invitation to join her co-workers on a sunset cruise turns into a deadly threat, she's forced to make a perilous escape into the waters off the Sanibel shoreline, and her goal suddenly changes to simply survive. Sanibel Police Detective Rick Wilcowski doesn't know what to make of the copper-eyed beauty he finds washed up on the beach, spinning a suspicious tale of abduction. Rick vows to keep his distance from the attractive but contrary woman until events convince him someone has targeted Finch. Finch has never had reason to trust the authorities and doesn't want to be under the watchful eye of the sexy detective. But as the heat grows between them and the threats to Finch escalate, Rick insists on being her protector as they investigate a twisted tale of international espionage, murder, and the secret the charms hold—a secret that could get her killed.

**Scandalous Secrets** Synithia Williams, 2020-08-25 Can they do what's right without betraying their hearts? Senatorial candidate Byron Robidoux always does the right thing. And after years of focus and dedication, his life and campaign are going exactly to plan until a blackmailer jeopardizes everything. No one is supposed to know that thirteen years ago, Byron told a lie to protect a college friend. And now that lie could destroy his career and threaten the woman he never stopped loving. Zoe Hammond hardly recognizes the refined and handsome politician Byron has become. The last time she saw him, he was the friend who saved her life by claiming to be the father of her unborn baby. For that, she'd do anything for him. Except Byron's world of wealth, reputation, and deceit isn't a place where Zoe or her daughter belong. But when a menace from the past comes calling again, staying with Byron is best for them all. And as the searing attraction between them builds, they soon realize some things are worth fighting for, especially love.
