Keeping It In The Den:

The Iguana Den's Care and Keeping of Giant Green Iguanas Meredith Martin, 2005-04-01 Giant Green Iguanas have become a very popular pet in recent years Unfortunately too many people who own iguanas either don't have the right care information or are given the wrong information and many of these iguanas do not make it to adulthood The Iguana Den's Care and Keeping of Giant Green Iguanas provides tested true and up to date methods of iguana husbandry that have been developed from years of rescuing and rehabbing iguanas This book is a must have for both new and experienced iguana keepers The book is based on the original Iguana Den website www.iguanaden.com and all proceeds from the sale benefit the shelter animals at Scales and Tails Rescue Inc a non profit organization *Scouting* , Published by the Boy Scouts of America for all BSA registered adult volunteers and professionals Scouting magazine offers editorial content that is a mixture of information instruction and inspiration designed to strengthen readers abilities to better perform their leadership roles in Scouting and also to assist them as parents in strengthening families *Scouting* , 1992-03 Published by the Boy Scouts of America for all BSA registered adult volunteers and professionals Scouting magazine offers editorial content that is a mixture of information instruction and inspiration designed to strengthen readers abilities to better perform their leadership roles in Scouting and also to assist them as parents in strengthening families *Alaska Tales* Jake Jacobson, 2014-11-12 You should buy this book It will make you laugh It is full of stories you'll want to read again and again You'll tell your friends about it Thinking about it will make you smile during boring meetings People will wonder what you are up to On a bad day when you've screwed up at work your wife is mad at you and the kids are sick this book will give you half an hour's respite It will take you to a place of adventure danger and humor all woven together by one larger than life character I had to get all that down fast because it's important I'm not a writer and I don't know how long I can hold your attention Dr Larry Gates The stories in this collection are true In some instances the names have been changed to protect the innocent and the not so guiltless With most days of the past forty seven years spent in Alaska the thirty six stories in this collection are connected primarily with Jake's guiding activities in the Great Land These stories were selected for their humorous content This selection of tales is trivial eclectic and of minimal redeeming value But there may be some valuable bits of information if one looks for them These stories attempt to entertain readers to give them a giggle or at least a wry smirk *The Body Keeps the Score* Bessel A.
