Workday Warrior Ann Gomez, 2022-12-06. Reclaim control of your workday with a proven time-saving method. Life is busier than ever before. We are working longer hours to keep up with longer to-do lists. Yet we're experiencing more stress and seem to fall further and further behind. Our so-called leisure time is punctuated with interruptions constantly pulling us back to work. We are led to believe we can prioritize our way out of this, but prioritization is broken. In Workday Warrior, productivity expert Ann Gomez presents a fresh approach that smashes today's time challenges: too many priorities, too many interruptions, and too much complexity. We don't need more willpower, discipline, or hours in our day. Instead, we need a straightforward approach to help us reclaim our time and upgrade our work habits. We need to concentrate our priorities, protect our time, and simplify our work to amplify our results. This book will help you become a Workday Warrior. Find more time in your day, play at a higher level, and feel more in control of your time. Your work and life will never be the same.
