The elements of kendo philosophy which can mystify even experienced practitioners are explained in simple terms to aid understanding. The manual concludes with biographies of Japan's most celebrated swordsmen, an extensive glossary of kendo terms and a history of kendo in Hawaii where it has been practiced for more than a century and where some of the world's top practitioners can be found *Kendo Guide for Beginners* Masahiro Imafuji, 2011-08-27 *Kendo Guide for Beginners* is a book written to guide kendo beginners. The book introduces what real kendo equipment is, the concept of kendo as *budo*, how to behave at training, etiquette and manners, and all the basic movements that beginners should learn thoroughly. Along with many pictures of the kendo basics, the detailed explanations will help you understand what you should or should not do when learning the basics. When learning kendo movements, it is always helpful if you actually see what you have to do or not to do. And it is important for you to visualize the correct movements. With the pictures and detailed explanations, it makes it easy for you to review what you learned at your dojo. Practicing at the dojo and home, you will improve your basics, your kendo correctly and quickly. This is a great advantage because by acquiring the good basics, you can move on to the next step easily, putting a set of armor on. With your solid basics, you will have fewer difficulties when you get a set of armor. That's why all the kendo people tell you to learn the basics thoroughly. You can learn the reasons behind the etiquette, manners in detail with this book. And if you learn the etiquette, manners in detail, you are also learning Japanese culture too. Even though the Japanese society is modernized, a lot of the etiquette, manners are still following the rules of the samurai era. By knowing the etiquette and manners, you will be able to understand what's going on at the dojo easily. And more importantly, you will NOT offend other people, especially Japanese people, because of a lack of the knowledge. Since the book is written by a Japanese person, all the kendo terms are correctly spelled, so you will learn correct kendo terms. With this book, you can learn all you have to know at the beginning of kendo as a beginner, and it makes your kendo life a lot easier Spain's Savage Samurai JOHN DAVIES, 2011-12-20 Author John Davies pictured at the famous Wellies Restaurant in Portals Portals, Majorca, the main location in his latest novel *Spain's Savage Samurai*, a tale of young Japanese gangsters dabbling in the treacherous trade of selling weapons of mass destruction.
