**Cruel Doubt** Joe McGinniss, 2012-08-29 From the New York Times bestselling author of Fatal Vision comes a shocking true account of murder family secrets and final justice now available for the first time as an e book One hot summer night in 1988 Bonnie Von Stein's second husband was murdered in their bed Bonnie herself stabbed beaten and left for dead beside him It looked like a brutal but tragically typical case Von Stein was newly wealthy and Bonnie's troubled son Chris seemed like the obvious suspect But Chris turned out to have an airtight alibi and new leads suggested the crime could be much more complex The trail led to Chris's two strange new friends from college and a real life enactment of a bizarre Dungeons and Dragons fantasy adventure and it implicated Bonnie's teenage daughter as well In Cruel Doubt Joe McGinniss probes the dark heart of family life and small town North Carolina society to uncover a fascinating and terrifying story that is at once a chilling murder mystery a tense courtroom drama and a heartbreaking account of a mother forced to

doubt her own children      *Fiery Winds of Chaos* Juli Hamlin, 2022-08-01 WATER dripped from the next cell over and faint screams echoed off the walls of the dungeon corridor Rats squeaked and scurried outside the cell door but were too plump to fit through the gap between the cold stone floor and iron band holding together the rotten wooden planks of the door Weak torch light from the hall filtered into the room from the iron grate at the top of the door but it failed to illuminate the straw littering the chipped and pitted stone floor Being musty and dank it did little to alleviate the cold for the one who huddled upon it Sitting in the corner on the thickest pile of worn out straw Salina shivered arms wrapped around her drawn up knees Unable to see the sun in this underground pit of terror agony and unimaginable misery she wasn't sure how long she'd been here Nine months Ten Had a year passed already since being knocked out and bound then dragged here Everyone else who'd arrived at the same time had long since been released from their pain and misery for Death had come for them But not her Because of her cursed healing ability Death never even looked her way If this kept up if no one came for her and Death continued avoiding her she could only imagine what her future held Lifting her head to glance at the faint light seeping into the cell she murmured Death be a dark knight and save me Please In a land rife with strife and overrun with evil the Fates are hard pressed to find someone with enough strength courage and mental fortitude to champion their cause Someone who possessed not only a will of iron to stand up for what is right no matter who might oppose him but also the compassion and mercy needed to make a difference in the lives of the common people So when a half breed dragon mage appears with the ability to sense evil they know they've found their man But in a land torn apart by war and attacked by vicious creatures of the Underdark can Callidor Blackfury with his inhuman looks tainted blood and hellsteed mount convince anyone to let him help And if so can one man alone even with the magic powers bestowed by his mixed heritage and dual nature be enough to combat the forces of evil Not only on the battlefield but on the home front as well It won't be easy He is going to need help A select few an elite group that has the strength skill and resolve to do whatever it takes to wipe out darkness in all its vile forms to protect those who cannot protect themselves and to save those who sit in hopeless darkness with pain and misery their only companions Yes with the right men and plenty of resources the forces of evil just met their match      **The Dark Lord Clementine** Sarah Jean Horwitz, 2019-10-01 The new face of big evil is a little small Dastardly deeds aren't exactly the first things that come to mind when one hears the name Clementine but as the sole heir of the infamous Dark Lord Elithor twelve year old Clementine Morcerous has been groomed since birth to be the best worst Evil Overlord she can be But everything changes the day her father is cursed by a mysterious rival Now Clementine must not only search for a way to break the curse but also take on the full responsibilities of the Dark Lord But when it's time for her to perform dastardly deeds against the townspeople including her brand new friends she begins to question her father's code of good and evil What if the Dark Lord Clementine doesn't want to be a dark lord after all      **Unmade (the Lynburn Legacy Book 3)** Sarah Rees Brennan, 2015-09-22 Kami Glass and friends battle sorcerers in order to save the sleepy town of Sorry in the Vale while

Kami struggles with her own emotions caught between Ash the boy who loves her and Jared the boy she loves Lies My Therapist Told Me Greg E. Gifford, 2025-05-27 From beloved Christian counselor professor and podcaster Greg Gifford comes a bold critique of the mental health establishment Therapy can backfire and fail but Christ offers more Too many people are caught in a vicious cycle of visiting every doctor psychiatrist psychologist and therapist in their area only to find frustrating labels and numbing medications at the end of each path Rather than eradicating anxiety in the same way vaccines conquered smallpox the mental health establishment has seen the number of diagnoses and prescriptions skyrocket on its watch How did we get here And does Christianity have any answers for this mental health crisis In Lies My Therapist Told Me Dr Greg Gifford delivers the definitive Christian critique of secular psychiatry and psychology He shows how mental health culture spreads beliefs that misinform our understanding of ourselves and our issues and he debunks popular myths such as We feel and act the way we do because the body keeps the scores of trauma Addiction is a disease If you improve your brain health your mind will follow Medications can heal your soul Every abnormal or sinful behavior is caused by a mental disorder These ideas though common are ultimately unhelpful because they are based on unbiblical assumptions Gifford brings clarity where secular therapy has created confusion and offers hope even for those struggling with the hard cases Through deep research biblical teaching and the inspiring stories of real counselees he shows why we can't blame the past or even a diagnosis for our bad behavior and why our society's growing unhappiness is not primarily a medical issue With a foreword by Todd Friel of Wretched Radio this book is a must read for counselors and counselees alike You can read all the mental health research in the world but you still won't learn God's answers for winning the battles in your mind Lies My Therapist Told Me is a powerful cutting edge argument that the supernatural wisdom of the Bible is truly enough for every need Sacrifices Mercedes Lackey, Rosemary Edghill, 2025-08-22 Sacrifices the third book in the Shadow Grail series by the New York Times and USA Today bestselling authors Mercedes Lackey and Rosemary Edghill The students of Oakhurst Academy believe they have triumphed over the Shadow Knights But Spirit Burke Muirin Loch and Addie know better Under the guise of a company called Breakthrough Adventure Systems the Shadow Knights have actually taken over the campus The new regime is brutal designed to turn the students into soldiers wielding both weapons and magic Anyone who protests disappears Desperate the group decides that Muirin should go undercover to spy on Breakthrough But Muirin's act is a little too good and Spirit begins to fear that her friend's loyalties might have truly changed Surrounded by enemies and friends who suddenly seem like strangers Spirit has decide who can and cannot be trusted At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **Project Enterprise Bundle 2** Pauline Baird Jones, 2015-12-11 Experience the thrill of time travel heart stopping action and captivating romance in this Project Enterprise bundle where star crossed lovers and brave warriors battle against the fabric of time and space Award winning author Pauline Baird Jones offers an exhilarating journey into a realm of sci fi romance that is bound to leave you enthralled Tangled in Time our first adventure
