**Thus Until** Emilia Ilieva, Reuben Matheka, 2025-08-04 **Thus Until** A History of Egerton University is a thorough historical chronological and well researched account of Egerton University from a whites only college when it started in 1939 through to the expansion it has experienced over the years culminating in being a full university More than any other university in Kenya Egerton has a long and colourful history but like all the other universities it has suffered from the political economic and financial challenges of the time especially since the double intake of the 1990s Chapter One provides the required background to the study highlighting agricultural and educational policies and steering away from the Happy Valley hype so characteristic of the period The reader will learn about the Egerton family in Chapter Two and particularly about Lord Egerton himself and the colonial circumstances within which he lived The chapter dispels some of the popularly held myths about him Chapter Three deals with the beginnings of the college and the various structural and curriculum experiments tried out and the kind of enrolment and students it experimented with as an all white establishment The chapter ends with Africans beginning to agitate for change With great attention to detail the later chapters put the university in a broader local and international context thereby increasing its relevance to society A History of Egerton University though heavily footnoted and with a detailed bibliography is written in a simple easy flowing and accessible style **The Grants Register 2016**

Dudu, 2023-03-01 This book critically examines the role of governments in promoting parity during and in post pandemic education This comes from the realisation that the pandemic has deepened the crisis by depleting the meagre resources that African countries might have devoted to normative educational practices where those on the margins would have been pushed further behind while the privileged would have been further initiated into the cultural and capital flows of private schools and historically research intensive institutions of higher learning This has far reaching implications for the education of underprivileged citizens and education particularly modes and modalities of delivery has to be reimagined to subvert the challenges wrought by the pandemic This book significantly bridges the gap between the pre and post COVID 19 pandemic pedagogical practices and the erstwhile modalities that have been resilient over time The book focuses on ways to stave off pedagogical challenges that face countries as the global pandemic makes its mark     **Quarterly Index to Periodical Literature, Eastern and Southern Africa** Library of Congress. Library of Congress Office, Nairobi, Kenya, 2000     *An Unfamiliar America* Ari Helo, Mikko Saikku, 2020-11-12 This collection focuses on conceptions of the unfamiliar from the viewpoint of mainstream American history aliens immigrants ethnic groups and previously unencountered ideas and ideologies in Trumpian America The book suggests bringing historical thinking back to the center of American Studies given that it has been recently challenged by the influential memory studies boom As much as identity building appears to be the central concern for much of the current practice in American history writing it is worth keeping in mind that historical truth may not always directly contribute to one's identity building The researcher's constant quest for truth does not equate to already possessing it History changes all the time because it consists of our constant reinterpretation of the past It is only the past that does not change This collection aims at keeping these two apart while scrutinizing a variety of contested topics in American history from xenophobic attitudes toward eighteenth century university professors Apache masculinity Ku Klux Klan Tom Waits's lyrics and the politics of the Trump era     **Quarterly Index to Africana Periodical Literature**, 2000     *Borrowed Land, Stolen Labor, and the Holy Spirit* Diane T. Feldman, 2025-07-15 *Borrowed Land Stolen Labor and the Holy Spirit* The Struggle for Power and Equality in Holmes County Mississippi

chronicles the profound history of a low income county that became a pivotal site for Delta organizing during the civil rights movement Landowning African American farmers who enjoyed more economic independence than sharecroppers emerged as the grassroots leaders of the movement The volume begins with the county s Native American heritage moving through the periods of removal land sales to speculators the rapid increase of enslaved labor in the nineteenth century and early African American political engagement during Reconstruction Author Diane T Feldman explores how African Americans fostered cooperative landownership efforts in the 1880s and 1920s alongside the development of schools and churches particularly the Church of God in Christ a denomination founded in Holmes County The fight for voting rights started with African American farmers in the 1950s and gained momentum with the Student Nonviolent Coordinating Committee in the 1960s Their struggle to desegregate schools culminated in the landmark Supreme Court case *Alexander v Holmes* which abolished dual school systems in the South The final chapters cover the past sixty years and current initiatives to restore food production in the Mississippi Delta Enriched with recent and historic photographs this volume serves as a microhistory of a single county illuminating broader themes prevalent throughout Mississippi and the rural South [Anniversary Essays on Alexander Pope's 'The Rape of the Lock'](#) Donald W. **Education and Imperial Unity, 1901-1926** James G. Greenlee,2016-11-18 Under the influence of mounting foreign competition in the late Victorian and Edwardian periods many Britons sought to bolster England s world position by reinforcing the unity of the Empire For the most part their effort were channelled into an attempt to construct a formal political union or federation of Britain s overseas dominions However when the so called Imperial Federation Movement failed to produce a viable constitutional solution the problem of unity a number of people began to search for an alternative non political approach In this connection a campaign was mounted during the first two decades of the twentieth century that came to emphasise the informal spiritual ties which supposedly bound the Empire together This title first published in 1987 brings to light the assumptions aspirations and schemes of those predominantly middle class figures who orchestrated the Imperial Studies Movement at the turn of the twentieth century This title will be of interest to students of history and education The Freemason's Chronicle ,1899 Cannabinoid
