

1) which NIMS management characteristic includes documents that record and communicate incident objectives, tactics, and assignments for operations and support?

c) Incident Action planning.

* Incident objectives, tactics, and assignments for operations and support should be recorded and communicated through an Incident Action plan (IAP).

* Incident action planning guides effective incident management activities.

* An incident action plan (IAP) is a concise, coherent means of capturing and communicating overall incident priorities, objectives, strategies, tactics, and assignments in the context of both operational and support activities.
