Identity Crisis
Reclaim the True You Tamara Buchan,2015-10-07 We are in an identity crisis because we've been victims of identity theft No it's not earthly identity theft where our social security numbers are stolen and our credit cards hacked Spiritual identity theft is far more serious leading to a crisis that goes beyond our finances in scope It affects every area of our lives relationships self esteem health vocational success and fulfillment of our deepest dreams One of Jesus most powerful statements encapsulates this truth The thief came to rob kill and destroy I came that you might live the fulfilling abundant life you were created to live John 10 10 The reality is that the only way to experience the abundant fulfilling life we were designed to experience is to confront the one who has stolen from us to partner with Jesus and to reclaim the identity that is rightfully ours What does it mean to reclaim It is to take that which is stolen lost broken or wounded and restore it to its true glory It is to make the vast wasteland become beautiful and productive again Jesus came to stop the identity theft change our passwords and to reclaim our true identity beloved children in his father's family and royal heirs in his kingdom as Romans 8

Larkins,2018-09-18 It s time to

awaken your true self You are the apple of God's eye It has been said that the church is suffering an identity crisis Perhaps this is why we have so many Christians sitting in the church not knowing who they are or what their purpose is in life It's as if they have become orphaned unable to discover their godly inheritance It is important to know who we are in Christ and what we have a right to but it is equally important to have a full understanding of our spiritual birthright The true spiritual life is so much more than just being a good person going to church or performing good deeds The true spiritual life is royal Christ did not come to earth to establish a religion He came to awaken royalty There is nothing more exciting than discovering who we are in him We were created to reign We are meant to shine We are destined to be loved and to reflect God's love to the world So get ready You are about to embark on a great journey As you read the pages of this book you will discover that you don't have to wait for heaven to be spiritually alive Life is yours now This book is a beautiful revelatory masterpiece of the saints of God being taught and equipped on how to walk in their new creation identity Pastor Brandon Cornelius Sr Founder and Leader of Glory Revival Center You are the Apple of God's Eye is a powerful and life impacting book that is scripture based to open you up as to how you can fit into the kingdom of God I was truly brought back to understanding the importance of my position within the kingdom of God This book is necessary for inspirational kingdom daily living Pastor C L Collins Jr Kingdom Bound Community Church *Secrets to Destroying Demonic Assignments* Joshua T. Giles, 2023-03-21 Become Armed and Dangerous In these last days demonic oppression is growing at an alarming rate How can Christians fight back against the works of darkness in their lives and in the atmospheres around them As an apostle and prophet Joshua T Giles found himself immersed in a community full of witchcraft violence and voodoo not knowing **Image Control** Talaya Jessie, 2019-05-07 What do you do when wisdom is calling you by your name What do you do when purpose is yearning to be fulfilled in your spirit What do you do when your mind can no longer grasp the anonymity of your destiny Image Control takes you on a journey of discovering your perception It helps you realize the factors in shaping your identity The generation I am apart of is filled with so many creatives but it seems as if we are afraid to pull out our maximum potential by the roots It is almost as if we are waiting for people to see our value and validate why and what we were put on this earth to do In a world where who you are and what you do matters the most it is so easy to get consumed with the opinions of others What if life was not necessarily about the things you accomplish What if it was about how you accomplished those things Was it with integrity or did you have to sacrifice a piece of yourself to be accepted When you push past the boundaries and extremities of understanding your perception you will then realize what was blocking your true self You will begin to understand the why behind your actions You will begin to understand the why to specific things your heart may desire We all have dreams misfortunes and pain But what if we took back our treasure from the hands of others and the pit of our shortcomings Will there be a possibility to sharpen our God given tools and gain understanding toward the use of those tools Who would we actually become in the process Will we continue to walk in facades What if everyone in the world

did the work to look deep within their soul Would there be substance or lack What if we took the blinders off Would we only see the things that hurt us in life or the entirety of every situation we have had to encounter The process of breaking a faulty eyesight is no easy one but it leads you to an atmosphere that can no longer be controlled outside of you The definitive question is will you do the work and be okay with looking a little funny while doing it **ADMISSION** PASTOR (REV.) S. I. IMAFIDON,2018-09-11 This book titled admission is about the systematic procedure of entry into the body of Christ and His Kingdom It talks about the process the requirements the importance the benefits and what to avoid as we grow and as we develop our connection with the eternal Kingdom of God When you submit yourself to taking an oath or examination to enter a particular school that society or School will eventually admit you to itself that is if you are successful in their required process of admission
