Encouraging Words for the Thirsty Ken Miller, 2022-08-02 Have you ever been really thirsty Like when the afternoon fun at the lake ends or the ninth inning brings a well earned win Nothing can beat an icy glass of chilly water sloshing down our dry and dusty throats to quench a well earned thirst While that cold water satisfies the demands of our physical body are we merely bodies requiring water Or are we more than that What quenches the thirst in our soul and spirit those innermost parts of us that can t be touched by human hands How are they nurtured In a conversation with a Samaritan woman Jesus told of a living water that if she would drink of this water she would never be thirsty again John 4 10 15 He was of course referring to spiritual water That is the only kind of water that will quench a thirsty spirit Inside this book you will find 93 drinks of living water Some will make you smile some will make you think but all will draw you to Jesus the One who was raised from the dead lives today and wants to get to know you

The Architecture of Truth Rodger Woodworth, 2023-08-11 Today we are battered with a never ending barrage of competing truths Social media overwhelms us with topics on how to live our best lives but eventually we discover just how conflicting these truths really are With this constant stream of incompatible assertions it is difficult to find footing in the architecture of truth It almost seems that objective truth has been put on trial Untruths are being promoted by politicians quest for power and populism s drive for attention The idea that there are many different truths seems appropriate for today s pluralistic world but when we can define our own truth truth is derived from the one with the loudest voice The apostle Paul addresses these issues in his letter to Titus exhorting him to teach them to know the truth because false teachers were turning whole families away from the truth and they do it only for money In his effort to refute error and unmask falsehood Paul gives one of the most condensed and yet comprehensive summaries of the gospel in Titus 3

1 8 In this passage the apostle constructs the architecture of truth that teaches us to live a life different than the world of untruths around us

Reclaiming Our Forgotten Heritage Curt Landry, 2019-01-15 A timely and groundbreaking take on the roots of the Christian church and its place in the entirety of God's kingdom There is no better time than now to learn about and become firmly grounded within your spiritual heritage from the foreword by Perry Stone The early church was made up of Jewish and Gentile followers of Jesus and the church's culture was rooted in Judaism and a Jewish understanding of God's relationship to His people Over time however Christianity became increasingly more Roman than Jewish and the church lost its identity Rabbi Curt Landry's personal story is remarkably similar Born to a Jewish mother and a Catholic father Landry was put up for adoption and for more than thirty years he had no understanding of his heritage his roots or who his parents were But when he discovered the truth of his story his life changed completely The key to a life of power and purpose is understanding who you are In this revelatory book Curt Landry helps Christians discover their roots in Judaism empowering them to walk in the revelation of who they really are and who they are born to be Reclaiming Our Forgotten Heritage reveals the mysteries of the church letting Christians grasp the power that comes from connecting with their true identity
