Ideologies And National Identities The Case Of Twentieth Century Southeastern Europe:

Ideologies and National Identities ,2006 **Ideologies and National Identities** John R. Lampe,Mark

Mazower,2004-01-10 Twentieth century Southeastern Europe endured three separate decades of international and civil war and was marred by forced migration and wrenching systemic changes This book is the result of a year long project by the Open Society Institute to examine and reappraise this tumultuous century The studies invite attention to fascism socialism and liberalism as well as nationalism and Communism While most chapters deal with war and confrontation they focus also on the remembrance of such conflicts in shaping today s ideology and national identity **BOOK JACKET** **Contested Ethnic Identity** Chris Kostov,2010 During the twentieth century Macedonia had a very turbulent history Essentially the region became the apple of discord among the Balkan states Ethnic identity formation among immigrants from Macedonia to Canada followed the political developments in the Balkans This book illustrates the late emergence of an ethnic Macedonian community in Toronto and the roots of the clash between the Macedonian Greek and Bulgarian ethnic communities The author tackles a number of important questions When did the Macedonian ethnic identity start in Canada What was the ethnic affiliation of the first Macedonian immigrants cultural organizations and churches in Toronto Why did they use the Bulgarian language Why do their first churches continue to be called Macedono Bulgarian churches Did all immigrants have one monolithic ethnic identity The author relies upon three different types of literature national identity development and theories Balkan history and ethnic studies of the Bulgarian Macedonian and Greek settlements of Toronto Oral interviews conducted in Toronto by the author and other researchers enhance this volume The book sheds light on a much contested subject which continues to fuel debate from Skopje Athens and Sofia to Toronto and Melbourne Publisher s description

The Routledge History of East Central Europe since 1700 Irina Livezeanu,Arpad von Klimo,2017-03-16 Covering territory from Russia in the east to Germany and Austria in the west The Routledge History of East Central Europe since 1700 explores the origins and evolution of modernity in this turbulent region This book applies fresh critical approaches to major historical controversies and debates expanding the study of a region that has experienced persistent and profound change and yet has long been dominated by narrowly nationalist interpretations Written by an international team of contributors that reflects the increasing globalization and pluralism of East Central European studies chapters discuss key themes such as economic development the relationship between religion and ethnicity the intersection between culture and imperial national wartime and revolutionary political agendas migration women s and gender history ideologies and political movements the legacy of communism and the ways in which various states in East Central Europe deployed and were formed by the politics of memory and commemoration This book uses new methodologies in order to fundamentally reshape perspectives on the development of East Central Europe over the past three centuries Transnational and comparative in approach this volume presents the latest research on the social cultural political and economic history of modern East Central Europe providing an

analytical and comprehensive overview for all students of this region 'Regimes of Historicity' in Southeastern and Northern Europe, 1890-1945 D. Mishkova, B. Trencsényi, M. Jalava, 2014-06-27 The volume undertakes a comparative analysis of the various discursive traditions dealing with the connection between modernity and historicity in Southeastern and Northern Europe reconstructing the ways in which different temporalities produced alternative representations of the past and future of continuity and discontinuity and identity The Routledge History Handbook of Central and Eastern Europe in the Twentieth Century Jochen Böhrer, Włodzimierz Borodziej, Joachim von Puttkamer, 2022-02-15 Violence analyzes both the violence exerted on the societies of Central and Eastern Europe during the twentieth century by belligerent powers and authoritarian and or totalitarian regimes and armed conflicts between ethnic social and national groups as well as the interaction between these two phenomena Throughout the twentieth century Central and Eastern Europe was hit particularly hard by war violence and repression with armed conflicts in the Balkans at the start and end of the period and two world wars in between In the shadow of these full scale wars ethnic social and national conflicts were intensified found new forms and were violently played out The interwar period witnessed the emergence of authoritarian states who enforced their claim to power through continued violence against political opponents stigmatized ethnic national and social groups and were themselves fought with subversive or terrorist techniques This volume focuses specifically on physical violence war and civil war ethnic cleansing systematic starvation policies deportations and expulsions forced labour and prison camps persecution by state security such as intensive surveillance which had an enormous impact on the lives of those it affected and other forms of government oppression and militant resistance Geographically it considers the western regions of Belarus and Ukraine as sites of extreme violence that had a noticeable impact on neighbouring Central and Eastern European countries as well The concluding volume in a four volume set on Central and Eastern Europe in the twentieth century it is the go to resource for those interested in violence in this complex region *A History of Eastern Europe 1918 to the Present* Ian D. Armour, 2021-04-08 Why is Eastern Europe still different from Western Europe more than a quarter century after the collapse of Communism *A History of Eastern Europe 1918 to the Present* shows how the roots of this difference are based in Eastern Europe s tortured 20th century Eastern Europe emerged in 1918 as the lands between new states whose weakness vis vis Germany and Soviet Russia soon became obvious The region was the main killing field of the Second World War which visited unimaginable horrors on its inhabitants before their liberation by the Soviets in 1945 The imposition of Communist dictatorships on the region ironically only deepened Eastern Europe s backwardness Even in the post Communist period its problems continue to make it a fertile breeding ground for nationalism and political extremism *A History of Eastern Europe 1918 to the Present* explores the comparative backwardness of Eastern Europe and how this has driven strategies of modernisation it looks at the ways in which the region has served as a giant test tube for political experimentation and in particular at the enduring strength of nationalism which since 1989 has re emerged more virulent than ever This book in the

essential textbook for any student of 20th century Eastern Europe

Anthems and the Making of Nation States

Aleksandar Pavkovic, Christopher Kelen, 2015-10-28 Anthems are symbolic means through which nations present themselves to the world Accordingly creating seven new nation states out of the bones of Yugoslavia required new anthems Why did these new states opt for century old national songs or failing this for the anthems without words What are the images and symbols that each of these states chose as their national signatures and how were these chosen This book explores a variety of images of nationhood or the absence of them in the lyrics of the official anthems and of competing national songs and traces their historical trajectory from the time of their conception to their legal entrenchment This is the first full length study into the symbolic representations of nationhood in the recently created nation states of the Balkans

Eradicating Differences Anton Weiss Wendt, 2010-08-11 The eleven essays that comprise this book offer an integrated perspective on Nazi policies of mass murder Drawing heavily on primary sources from European and American archives the collection of essays provides novel interpretations of Nazi policies vis vis ethnic religious and sexual minorities in the German occupied territories specifically Eastern Europe The essays printed in this volume advance two main theses drawing a line under the Functionalist Intentionalist debate regarding the origins of Nazi genocide In their dealing with the lesser races the Nazis proved more flexible and less single minded than has been conventionally believed Faced with what they saw as a temporary military setback the Nazis were willing to renegotiate their murderous policies granting certain concessions to the minority groups otherwise slated for destruction In the long run however the Nazis never abandoned the ideology of racial exclusiveness which had contributed to their ultimate defeat Another thesis concerns the complex ethno political landscape of Eastern Europe that came under Nazi domination German occupation authorities encouraged ethnic rivalries and grievances which trace back to the Austro Hungarian and Russian Empires and beyond Hobbesian war of all against all that had ensued made it easier for the Nazis to apply a divide and rule policy It also provided a fertile ground for collaboration specifically in the mass murder of Jews The book will appear to both academic and non academic audiences interested in the subjects as diverse as genocide ethno nationalism and minority studies

Twenty Years After Communism

Michael H. Bernhard, Jan Kubik, 2014 While the fall of the Berlin Wall is positively commemorated in the West the intervening years have shown that the former Soviet Bloc has a more complicated view of its legacy In post communist Eastern Europe the way people remember state socialism is closely intertwined with the manner in which they envision historical justice Twenty Years After Communism is concerned with the explosion of a politics of memory triggered by the fall of state socialism in Eastern Europe and it takes a comparative look at the ways that communism and its demise have been commemorated or not commemorated by major political actors across the region The book is built on three premises The first is that political actors always strive to come to terms with the history of their communities in order to generate a sense of order in their personal and collective lives Second new leaders sometimes find it advantageous to mete out justice on the politicians of abolished

regimes and whether and how they do so depends heavily on their interpretation and assessment of the collective past Finally remembering the past particularly collectively is always a political process thus the politics of memory and commemoration needs to be studied as an integral part of the establishment of new collective identities and new principles of political legitimacy Each chapter takes a detailed look at the commemorative ceremony of a different country of the former Soviet Bloc Collectively the book looks at patterns of extrication from state socialism patterns of ethnic and class conflict the strategies of communist successor parties and the cultural traditions of a given country that influence the way official collective memory is constructed Twenty Years After Communism develops a new analytical and explanatory framework that helps readers to understand the utility of historical memory as an important and understudied part of democratization

Croatia and the Rise of Fascism Goran Miljan, 2018-05-03 During World War II Croatia became a fascist state under the control of the Ustasha Movement allied with Nazi Germany and Fascist Italy Here Goran Miljan examines and analyzes for the first time the ideology practices and international connections of the Ustasha Youth organization The Ustasha Youth was an all embracing fascist youth organization established in July 1941 by the Independent State of Croatia with the goal of reeducating young people in the model of an ideal new Croat This youth organization attempted to set in motion an all embracing totalitarian national revolution which in reality consisted of specific interconnected mutually dependent practices prosecution oppression mass murder and the Holocaust all of which were officially legalized within a month of the regime's accession to power To this end education sport manual work and camping took place in specially established Ustasha Youth Schools In order to justify their radical policies of youth reeducation the Ustasha Youth besides emphasizing national character and the importance of cultural and national purity also engaged in transnational activities and exchanges especially with the Hlinkova mladez Hlinka Youth of the Slovak Republic Both youth organizations were closely modelled after the youth organizations in Nazi Germany and Fascist Italy This is a little studied part of the history of World War II and of Fascism and will be essential reading for scholars of Central Europe and the Holocaust

Ideology, Political Transitions and the City Aleksandra Djurasovic, 2016-06-10 Recent history has seen Bosnian and Herzegovinian BiH cities undergoing several transitions Their cities have developed under socialism 1945 1992 have suffered through the civil war during the 1990s and during the last twenty years have been undergoing a slow and multifaceted transition to an indeterminate end point Focusing on the post socialist postwar and neoliberal transitions experienced in BiH the book shows that planning systems deviated from control oriented and top down regulation to flexible approaches for more open for informal development The book analyzes several levels of planning related processes the former Yugoslavia BiH the city of Mostar and three urban zones the Industrial Zone Bi e Polje the City Zone Rondo and the Historic District and the Old Town Zone in order to offer insights into the new planning systems in the late phase of post socialist transition

Southeast European Studies in a Globalizing World Christian Promitzer, Siegfried Gruber, Harald Heppner, 2014 Since the early 1990s

Southeast European studies have undergone profound changes being shaped by the wars of Yugoslav succession and the ramifications of post socialism coupled with democratic deficiencies which characterize most of Southeast Europe. The countries which it encompasses rest uneasily on the periphery of the developed variant of Western capitalism but they have nonetheless to contend with the challenges of adjusting to a market economy. The imprint of these contexts on academic research has led to a discussion of the role of Southeast European studies. It is the task of this volume to summarize and raise awareness of this discussion. Series: Studies on South East Europe Vol 16 Subject: European Studies Sociology Politics

Sports Policy and Politics in the Western Balkans Marko Begović, 2024-02-06 This book examines how states in the post socialist Western Balkans region have used sport as a policy tool and how sport in the region has been shaped by politics, history and culture. Looking closely at the intersection of sports policy and politics in the countries of Serbia, Montenegro, Croatia and Bosnia and Herzegovina, this book explores the roles of sport in nation building and how sport has been used by regimes looking to establish political legitimacy in the transition from the post socialist era. It offers a fascinating insight into the way that sport has been co-opted for political purposes and into the complexities of formulating sports policy and wider public policy in societies in which governance structures may be weak and in which clientelism, corruption and partisanship pose constant challenges. This book is fascinating reading for anybody with an interest in the history and politics of sport in public policy or in the history, politics and culture of the former Yugoslav countries.

The Macedonian Question and the Macedonians Alexis Heraclides, 2020-12-30 This book is a comprehensive and dispassionate analysis of the intriguing Macedonian Question from 1878 until 1949 and of the Macedonians and of their neighbours from the 1890s until today with the two themes intertwining. The Macedonian Question was an offshoot of the wider Eastern Question, i.e. the fate of the European remnants of the Ottoman Empire once it dissolved. The initial protagonists of the Macedonian Question were Greece, Bulgaria and Serbia and a Slav speaking population inhabiting geographical Macedonia in search of its destiny, the largest segment of which ended up creating a new nation comprising the Macedonians, something unacceptable to its three neighbours. Alexis Heraclides analyses the shifting sands of the Macedonian Question and of the gradual rise of Macedonian nationhood with special emphasis on the Greek, Bulgarian and Serbian claims to Macedonia. 1870s-1919 the birth and vicissitudes of the most famous Macedonian revolutionary organization, the VMORO, and of other organizations. 1893-1940 the appearance and gradual establishment of the Macedonian nation from the 1890s until 1945. Tito's crucial role in Macedonian nationhood, cum federal status, the Greek-Macedonian name dispute. 1991-2018 including the skeletons in the cupboard, the deep-seated reasons rendering the clash intractable for decades, the final Greek-Macedonian settlement, the 2018 Prespa Agreement, the Bulgarian-Macedonian dispute. 1950 today and its ephemeral settlement in 2017, the issue of the Macedonian language and the Macedonian national historical narrative. The author also addresses questions around who the ancient Macedonians were and the fascination with Alexander the Great. This monograph will be an essential resource for

scholars working on Macedonian history Balkan politics and conflict resolution (Post)Socialist Dance ,2024-10-03 This book sets out to search for the Second World the post socialist context in dance studies and examines the way it appears and reappears in today s globalized world It traces hidden and invisibilized legacies over the span of one century probing questions that can make viewers artists and scholars uncomfortable regarding dance histories memories circulations and production modes in and around the post socialist world The contributions delve into a variety of dance practices folk traditional ballet modern contemporary modes of dance production institutionalization processes festival making and market logics and dance circulations between centres and peripheries between different genres and styles The main focus is Eastern Europe including Russia but the book also addresses Cuba and China The book s historical examples make the reader aware too of the post socialist bodies influence in today s dance including in contemporary dance scenes The post socialist context promises to be a prosperous laboratory to explore uncomfortable questions of legitimacy Whose choreographic work is staged as a quality dance production Which dance practices are worthy of scholarly study What are the limits of dance studies understanding of what dance is or should be In view of reclaiming the Second World through dance this book thus probes questions that should be asked today but are not easy to answer questions that dance practitioners facilitators critics and researchers including ourselves are often not at ease with either In doing so the cracks of dance history begin to be sealed and neglected dance practices are written back into history provided with the academic recognition that they deserve

Conservatives and Right Radicals in Interwar Europe Marco Bresciani,2020-12-30 This book features a broad range of thematic and national case studies which explore the interrelations and confrontations between conservatives and the radical Right in the European and global contexts of the interwar years It investigates the political social cultural and economic issues that conservatives and radicals tried to address and solve in the aftermaths of the Great War Conservative forces ended up prevailing over far right forces in the 1920s with the notable exception of the Fascist regime in Italy But over the course of the 1930s and the ascent of the Nazi regime in Germany political radicalisation triggered both competition and hybridisation between conservative and right wing radical forces with increased power for far right and fascist movements The book will be of great interest to students and scholars of politics history fascism and Nazism Nationalism and Yugoslavia Pieter Troch,2015-08-18 Created after World War I Yugoslavia was a combination of ethnically religiously and linguistically diverse but connected South Slav peoples Slovenes Croats and Serbs but also Bosnian Muslims Macedonians and Montenegrins in addition to non Slav minorities The Great Powers and the country s intellectual and political elites believed that a coherent identity could be formed in which the different South Slav groups in the state could identify with a single Balkan Yugoslav identity Pieter Troch draws on previously unpublished sources from the domain of education to show how the state s nationalities policy initially allowed for a flexible and inclusive Yugoslav nationhood and how that system was slowly replaced with a more domineering and rigid top down nationalism during the dictatorship of King Alexander I who

banned political parties and coded a strongly politicised Yugoslav national identity As Yugoslav society became increasingly split between the pro Yugoslav central regime and anti Yugoslav opposition the seeds were sown for the failure of the Yugoslav idea Nationalism and Yugoslavia provides a valuable new insight into the complexities of pre war Yugoslavia

Partisans in Yugoslavia Miranda Jakisa, Nikica Gilic, 2015-03-15 The ubiquitous Partisan narrative in Yugoslavia served well as founding myth of its newly united people Its retrospective deconstruction has absorbed most of the academic attention for the Yugoslav Partisans since the break up This edition in contrast looks into the hybrid nature of partisanship itself as it appears in film art and literature It explores the Partisans in Yugoslavia in Partisan novels films and songs analyzes the still ongoing transformation process of the Partisan narrative and reviews its transitions into popular visual culture

Approaching Consumer Culture Evgenia Krasteva-Blagoeva, 2018-10-25 This fascinating collection analyzes the impact of Western consumer culture on local cultures and consumption in Southeast Europe and East Asia Cultural historical economic and sociopolitical contexts are examined regarding buying behaviors usage and customization practices and consumer activism specifically in Bulgaria Serbia and Romania as cultures continue to evolve in the post socialist era and in China and Japan as a continuation of movements toward modernity and progress Surprising and thought provoking contrasts stand out as consumers balance the global with the local in terms of clothing technology luxury items and food All chapters feature a wealth of empirical and cross cultural data and the presentation is framed by Professor Mike Featherstone s theoretical essay on the origins of consumer culture and the consequences of two hundred years of increasing consumption for the human condition and the future of the planet Included in the coverage You are a socialist child like me Goods and Identity in Bulgaria Consumer Culture from Socialist Yugoslavia to Post Socialist Serbia Movements and Moments Preserves Exiting Socialism Authenticity Anti Standardization and Middle Class Consumption in Post Socialist Romania Modernization and the Department Store in Early 20th Century Japan Modern Girl and New Consumer Culture Lifestyles A Cultural Reading of Conspicuous Consumption in China Approaching Consumer Culture broadens the cultural anthropology literature and will be welcomed by Western and Eastern scholars and researchers alike Its depth and accessibility make it useful to university courses in cultural anthropology cultural studies and sociology

Ideologies And National Identities The Case Of Twentieth Century Southeastern Europe Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories.

Ideologies And National Identities The Case Of Twentieth Century Southeastern Europe

Another reliable platform for downloading Ideologies And National Identities The Case Of Twentieth Century Southeastern Europe free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Ideologies And National Identities The Case Of Twentieth Century Southeastern Europe free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Ideologies And National Identities The Case Of Twentieth Century Southeastern Europe free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Ideologies And National Identities The Case Of Twentieth Century Southeastern Europe. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Ideologies And National Identities The Case Of Twentieth Century Southeastern Europe any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Ideologies And National Identities The Case Of Twentieth Century Southeastern Europe Books

1. Where can I buy Ideologies And National Identities The Case Of Twentieth Century Southeastern Europe books?

- Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
