Giving is the Good Life Randy Alcorn, 2019 A bestselling author teaches life changing biblical principles of generosity and tells stories of people who have put those radical principles into practice Each story is a practical application that can help stimulate imagination and expand dreams of serving Jesus in fresh ways

90 Days of God's Goodness Randy Alcorn, 2011 A collection of ninety daily meditations confront the issue of human suffering and offer the possibility of healing through trust in God

Happiness Randy Alcorn, 2024-06 Christians are supposed to be happy In fact we are supposed to radiate joy peace and contentment that is so unmistakable and so attractive that others are naturally drawn to us because they want what we have And yet in today's culture the vast majority of Christians are perceived as angry judgmental people who don't seem to derive any joy from life whatsoever So why aren't we happy Unfortunately many Christians are taught early on that God doesn't want us to be happy he wants us to be holy In fact many Christians are laboring under the false notion that God himself is not happy But nothing could be further from the truth God does want us to be happy The Bible is filled with verses that prove that ours is a happy joy filled God who not only loves celebrations but also desperately wants his children to be happy Why else would He go to the lengths He did to ensure our eternal happiness in His presence We know that we will experience unimaginable joy and happiness in Heaven but that doesn't mean we can't also experience joy and happiness here on earth In *Happiness* noted theologian Randy Alcorn dispels centuries of misconceptions about happiness and provides indisputable proof that God not only wants us to be happy He commands it The most definitive study on the subject of happiness to date this book is a paradigm shifting wake up call for the church and Christians everywhere
