The Art of Loving a Black Woman Ponce W. DeLeon, 2012-08 The Art Of Loving A Black Woman was inspired by the many beautiful black women that I see in my urban community I also intended this work of poetry to be a pedestal to promote the bonding of black men and women I feel there is a need for black men to bring back respectable love for black women A respect that stemmed from the bosom of Africa on through slavery but deteriorated in the 1980's and seems to be depleting in this twenty first century I feel more men should step up to the plate and express the way they feel about the beauty and grace of our women I decided to be one of those black men and this work of art is dedicated to the strong black mothers sisters daughters and to the black community in general I have tried to compile a complete 360 degree view of a black woman and a black man's feelings when pertaining to her This 360 degree view is urban poetry inspired by relationships built upon marriage sexual relationships friendship relationships courting relationships spiritual relationships erotic filled relationships and most importantly love filled relationships I find this is the ultimate poetry guide to aid black men in The Art Of Loving A Black Woman
