If God Is Love Rediscovering Grace In An Ungracious World:

If God Is Love Philip Gulley, James Mulholland, 2009-10-13 If God is love why are so many Christians fearful and why do so many church leaders sound hateful Two controversial pastors address issues the church won't face calling us to restore grace as the center of the Christian life o In *If Grace Is True* Pastors Philip Gulley and James Mulholland revealed their belief that God will save every person They now explore the implications of this belief and its power to change every area of our lives They attempt to answer one question If we took God's love seriously what would our world look like Gulley and Mulholland argue that what we believe is crucial and dramatically affects the way we live and interact in the world Beliefs have power The belief in a literal hell where people suffer eternally has often been used by the Church to justify hate and violence which contradicts what Jesus taught about love and grace The authors present a new vision for our personal religious and corporate lives exploring what our world would be like if we based our existence on the foundational truth that God loves every person Gulley and Mulholland boldly address many controversial issues people in the pews have wondered about but churches have been unwilling to tackle For too long the Christian tradition has been steeped in negativity exclusion and judgment Gulley and Mulholland usher us into a new age an age where grace and love are allowed to reign **God for All** Arch B.

Taylor, 2013-09-24 God our Savior desires everyone to be saved 1Tim 2:4 Does God get what God wants Yes but depending on how we read the Bible The Bible is universal One God Sovereign Creator of everything especially humanity in God's image God's partner to manage creation Science and evolution say humanity evolved gradually acquiring superior capabilities We have yet to transcend animal nature and acknowledge oneness of creation under God Humans exploited our semi-divine status becoming alienated God chose Israelites Jews for blessing and reconciling humanity They exploited chosenness so God sent the Jew Jesus to reveal God's gracious concern for all people Roman political and Jewish religious power killed Jesus but he appeared resurrected to his disciples who proclaimed him Savior God gave another Jew Paul a vision of Jesus resurrected and appointed him to proclaim God's reconciliation to Gentiles Paul taught that through the faithfulness of Jesus Gentiles too become God's people and share Israel's blessings without becoming Jews All who experience reconciliation share Jesus's partnership with God We toil and struggle because we have our hope set on the living God who is the Savior of all people especially of those who believe 1 Tim 4:10 **If God Is Love** Philip Gulley, Jim Mulholland, James Mulholland, 2001-01-01 If

God is love Why are so many Christians fearful Why do so many Church leaders sound hateful Why does religion often create more pain than healing What would it take for our world to become more gracious In *If Grace Is True* pastors Philip Gulley and James Mulholland revealed their belief that God will save every person They now explore the implications of this belief and its power to change every area of our lives They attempt to answer one question If we took God's love seriously what would our world look like Gulley and Mulholland argue that what we believe is crucial and dramatically affects the way we live and interact in the world Beliefs have power The belief in a literal hell where people suffer eternally has often been used

by the Church to justify hate and violence which contradict what Jesus taught about love and grace The authors present a new vision for our personal religious and corporate lives exploring what our world would be like if we based our existence on the foundational truth that God loves every person Gulley and Mulholland boldly address many controversial issues people in the pews have wondered about but churches have been unwilling to tackle For too long the the Christian tradition has been steeped in negativity exclusion and judgment Gulley and Mulholland usher us into a new era an age where grace and love are allowed to reign

A Generous Orthodoxy Brian D. McLaren,2009-05-18 A confession and manifesto from a senior leader in the emerging church movement *A Generous Orthodoxy* calls for a radical Christ centered orthodoxy of faith and practice in a missional generous spirit Brian McLaren argues for a post liberal post conservative post protestant convergence which will stimulate lively interest and global conversation among thoughtful Christians from all traditions In a sweeping exploration of belief author Brian McLaren takes us across the landscape of faith envisioning an orthodoxy that aims for Jesus is driven by love and is defined by missional intent *A Generous Orthodoxy* rediscovers the mysterious and compelling ways that Jesus can be embraced across the entire Christian horizon Rather than establishing what is and is not orthodox McLaren walks through the many traditions of faith bringing to the center a way of life that draws us closer to Christ and to each other Whether you find yourself inside outside

or somewhere on the fringe of Christianity A Generous Orthodoxy draws you toward a way of living that looks beyond the us them paradigm to the blessed and ancient paradox of we *Will All be Saved?* Laurence Malcolm Blanchard,2015-04-01 This book provides a survey and critical assessment of the doctrine of universal salvation in contemporary western theology within the context of the historic development of the doctrine **The Call of the Mourning Dove** Stephanie Rutt,2019-05-20 Spiritual seekers across faith traditions share a fierce yearning for mystical unity with their God While beliefs and practices differ what ignites the human heart to quest for the mystical the unknowable the holy just beyond understanding is the same The Call of the Mourning Dove How Sacred Sound Awakens Mystical Unity offers a new paradigm the Sonic Trilogy of Love that details how sacred sound embedded in the ancient canons across faith traditions creates just such a portal into this unmitigated experience of God Because the experience is ubiquitous across faith traditions it does not matter whether a seeker has embarked on an eclectic quest for God or remains deeply committed to questing within one particular faith tradition All seekers known as Lovers within the Trilogy discover that by intoning the sacred sounds the Love embedded in the ancient languages the conditions are set to experience unity with God the Beloved This unity occurs in unforeseen moments as love the core organizing principle of the Trilogy circles in on itself dissolving all distinctions leaving the Lover filled with only the silent wonder of God And graciously nothing is the same *Holy Eros* James D. Whitehead,Evelyn Eaton Whitehead,2009 Eros is the passionate energy that makes us one with the beautiful other with a leper with the world of nature waiting to be embraced and cared for with our neighbor the stranger with God The Whiteheads explore this vital energy of love as the gift of a Creator madly in love with his creation a God who would bring us to life in abundance if we only say Yes They discuss Eros in the movements of our sexuality as well as in our arousals of compassion and care They examine the Eros of pleasure and of generosity They honor the Eros of hope of anger of suffering They reveal that Eros has a Source far deeper than lust and is a pathway to a passionate God Holy Eros recovers this fundamental energy of love as a powerful resource in the revitalization of Christian spirituality Unlike most books on the topic it eschews easy clichs Its reader benefit is to understand and appreciate an energy that can heal as well as hinder and to tap into its positive force **A Respite in Time** Bob Casey,2012-09-17 A Respite in Time allows you to escape and find a quiet refuge as you immerse yourself in the authors comments on life These are relayed through short vignettes which consist of small snippets of life captured in words They include kernels of wisdom garnered from life experiences descriptions and observations generated from travel adventures and heart warming interactions with loved ones and strangers At times you will smile and other times you will ponder There is also woven into the content a universal spiritual strand regarding lifes journey and the understanding that evolves The book is organized so that it can be read non sequentially start in the front the middle or back if you desire The vignettes first appeared in my newsletter the Poetical Journal which is distributed to thousands of subscribers in seventy two countries and all fifty states As you read we will be having a private conversation a
