The Monkey's Wrench Primo Levi, 1995-07-01 A remarkable narrative of a worklife as told to Primo Levi who is as great a listener as he is a creative artist Studs Terkel A Penguin Classic In this exuberant and wildly funny novel Primo Levi celebrates the joys of work and the art of storytelling The magic is worked through the mesmerizing tales told by Libertini Faussone a construction worker and by the narrator a writer-chemist who share stories of their adventures Faussone is a life-loving self-educated philosopher who has built bridges and towers in India Africa Alaska and Russia His passion for work and travel shines through his stories of a monkey who wanted to be a man of a magnificent machine that caught stardust and of a first love a girl who drove a bulldozer The writer-chemist himself a rigger of words and molecules listens patiently and amused and responds with his own fascinating stories and reflections on the similar joys of labor both physical and intellectual For more than seventy years Penguin has been the leading publisher of classic literature in the English-speaking world With more than 1 800 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up-to-date translations by award-winning translators

Moments of Reprieve Primo Levi, 1995-07-01 He is our Dante writing a modern masterpiece about his journey into Hell that is unique in the literature of the Holocaust USA Today A Penguin Classic Primo Levi was one of the most astonishing voices to emerge from the twentieth century a man who survived one of the ugliest times in history yet who was able to describe his own Auschwitz experience with an unaffected tenderness Levi was a master storyteller but he did not write fairytales These stories are an elegy to the human figures who stood out against the tragic background of Auschwitz the ones in whom I had recognized the will and capacity to react and hence a rudiment of virtue Each centers on an individual who whether it be through a juggling trick a slice of apple or a letter discovers one of the bizarre marginal

moments of reprieve For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 800 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators
