Ifrs Implementation Guide 2011:

Teaching IFRS Richard M.S. Wilson, Ralph W. Adler, 2013-09-13 The increasing pace of global conformance towards the adoption of International Financial Reporting Standards IFRS highlights the need for accounting students as well as accounting practitioners to be conversant with IFRS *Teaching IFRS* offers expert descriptions of and insights into the IFRS convergence process from a teaching and learning perspective Hence this book is both timely and likely to have considerable impact in providing guidance for those who teach financial reporting around the world The contents of the book come from authoritative sources and offer something distinctive to complement the existing textbooks which typically focus on the technical aspects of IFRS and their adoption Drawing upon the experiences of those who have sought to introduce IFRS related classroom innovations and the associated student outcomes achieved therefrom the book offers suggestions about how to design and deliver courses dealing with IFRS and catalogues extensive listings of IFRS related teaching resources to support those courses This book was originally published as a special issue of *Accounting Education* An international journal

Standardization of Financial Reporting and Accounting in Latin American Countries Lourenço, Isabel, Major, Maria, 2015-07-01 Accounting has often been described as the language of business As the increasing competition of overseas markets begins to affect even the smallest local companies many more business professionals must become fluent in accounting principles and practice Standardization of Financial Reporting and Accounting in Latin American Countries highlights the recent move to International Financial Reporting Standards IFRS and addresses some of the concerns raised due to cultural differences and the level of enforcement of these standards in separate countries Describing the evolution of both financial and managerial accounting due to the adoption of IFRS this book is an essential reference source for both students and seasoned professionals in the fields of accounting finance and related management fields especially those with an international emphasis Managing the Transition to IFRS-Based Financial Reporting Lisa Weaver, 2014-05-16 The one stop guide to transitioning to IFRS financial reporting The International Financial Reporting Standards IFRS have already been adopted in Europe and plans are in place to transition to IFRS reporting in the UK India Japan and other major economies The US is deliberating the nature of its convergence with IFRS and US entities will need to understand the implications of transition This means all finance managers and financial controllers will be responsible not only for understanding IFRS but for making the transition and dealing with implications Managing the Transition to IFRS Based Financial Reporting is a one stop resource for navigating this major change Case studies and project management advice help move smoothly from GAAP to IFRS principles and requirements Managing the Transition to IFRS Based Financial Reporting is the only book on the market that focuses on both the accounting and non accounting implications of IFRS transition This complete approach will guide you from the history and conceptual basis of IFRS through each stage of the transition process ensuring expert change management and fluid communication from start to finish Takes a holistic

approach covering non accounting implications like educating and communicating IFRS requirements Provides case studies to illustrate best practices for moving to the new international standards Provides a framework for planning and executing the entire IFRS transition project With nearly two decades of financial training experience author Lisa Weaver is imminently qualified to deliver clear concise and understandable content In addition the reference material and other resources in Managing the Transition to IFRS Based Financial Reporting will help you simplify the transition and take advantage of all the benefits IFRS reporting confers

Islamic Accounting And Finance: A Handbook Khaled Hussainey,Hidaya Al Lawati,2023-03-23 Islamic finance is one of the fastest growing sectors in international banking and finance Owing to the increasing availability and ease of access to Islamic services Islamic finance has become increasingly important not only in Muslim countries but around the world making it a global industry Under the Gulf Cooperation Council GCC as well as in some regions such as the Middle East and North Africa a dual financial system is implemented where Sharia compliant products are marketed alongside conventional financial systems In this thoroughly researched collection of chapters researchers from around the world examine the role of Islamic finance in the economies and prospects of different companies They discuss Islamic finance literature from both theoretical and empirical perspectives The theoretical section of the book consists of conceptual chapters that enable readers to critically evaluate and expand their understanding of accounting and finance The chapters in the empirical section of this handbook discuss and interpret empirical evidence to provide clear implications for practice research and society This section bridges the gap between theory and practice and offers suggestions for future research Islamic Accounting and Finance is geared towards scholars and students but it is also of use to banking and finance practitioners
