

# University Researcher on Federally Funded Project

- Invention Developed through a Federal Grant?
- Three things to Know!!!
  - Even if you are the PI or Project Director, grant was awarded to your university, not you personally. University responsible for grant activity complying to Federal guidelines
  - Money comes from the Federal government, the 'string' attached to the money – Feds have right to future use of any invention resulting from their funding.
  - University is grant recipient and hence has the first right to take ownership of invention
