

**(4 – 8) MXH23 =** The numbers 4 – 8 are manufacturer specific and I have here only focused on KTM. KTM now have close to 100 different combinations of numbers 4 – 8.

Below a list of the 4,5,6 numbers for models that were produced before approx. 2005. Note that many of KTM's standard models are still made and still use same identification in 4,5,6. New number combinations are used for models that are totally new since then and will include the new small KTM road bikes that are now produced in Asia. (I will add these at some stage).
